## **Master Circular--Credit Facilities to Scheduled Castes (SCs) & Scheduled Tribes (STs)**

Banks should take the following measures to step up their advances to SCs / STs:

### **1. Planning Process**

- 1.1 The District Level Consultative Committees formed under the Lead Bank Scheme should continue to be the principal mechanism of co-ordination between banks and development agencies in this regard.
- 1.2 The district credit plans formulated by the lead banks should clearly indicate the linkage of credit with employment and development schemes.
- 1.3 Banks will have to establish closer liaison with the District Industries Centres, which have been set up in different districts for promoting self-employment.
- 1.4 At the block level, a certain weightage is to be given to scheduled castes / scheduled tribes in the planning process. Accordingly, the credit planning should be weighted in favour of scheduled castes / scheduled tribes and special bankable schemes suited to members of these communities should be drawn up to ensure their participation in such schemes and larger flow of credit to them for self-employment. It will be necessary for the banks to consider loan proposals of these communities with utmost sympathy and understanding.
- 1.5 Banks should periodically review their lending procedures and policies to see that loans are sanctioned in time, are adequate and production-oriented and that they generate incremental income to make them self-liquidating.
- 1.6 While 'adopting' villages for intensive lending, villages with sizeable population of these communities may be specially chosen; the alternative of adopting specific localities (bastis) in the concerned villages which have a concentration of these communities could also be considered.

### **2. Role of Banks**

- 2.1 Bank staff may help the poor borrowers in filling up the forms and completing other formalities so that they are able to get credit facility within a stipulated period from the date of receipt of applications.
- 2.2 In order to encourage SC / ST borrowers to take advantage of credit facilities, greater awareness among them about various schemes formulated by banks will have to be created. As a majority of the eligible borrowers would be illiterate persons, publicity through brochures, other literature, etc. will be of limited utility. The more desirable method would be for the field staff of banks to contact such borrowers and explain to

them the salient features of the schemes as also the advantages that will accrue. Banks should advise their branches to organize meetings more frequently exclusively for SC / ST beneficiaries to understand their credit needs and to incorporate the same in the credit plan.

2.3 Circulars issued by RBI / NABARD should be circulated among the staff for compliance.

2.4 Banks should not insist on deposits while considering loan applications under Government sponsored poverty alleviation schemes / self-employment programmes from borrowers belonging to SCs / STs. It should also be ensured that applicable subsidy is not held back while releasing the loan component till the full repayment of bank dues. Non-release of subsidy upfront amounts to under-financing and hampers asset creation / income generation.

2.5 The National Scheduled Tribes Finance & Development Corporation and National Scheduled Castes Finance & Development Corporation have been set up under the administrative control of Ministry of Tribal Affairs and Ministry of Social Justice & Empowerment, respectively. The banks should advise their branches / controlling offices to render all the necessary institutional support to enable the institution to achieve the desired objectives.

2.6 Advances sanctioned to State sponsored organizations of SC / ST, for the specific purpose of purchase and supply of inputs to and / or the marketing of outputs of the beneficiaries viz. artisans, village and cottage industries of these organizations, should be treated as Priority Sector Advances, subject to the condition that the relative advances are exclusively for the purpose of purchase and supply of inputs to and / or marketing of the outputs of beneficiaries of these organizations.

2.7 Rejection of loan applications in respect of SCs / STs should be done at the next higher level instead of at the branch level and reasons of rejection should be clearly indicated.

### **3. Role of SC / ST Development Corporations**

The Government of India has advised all State Governments that the Scheduled Caste/ Tribes Development Corporations can consider bankable schemes / proposals for bank finance. As regards Collateral Security and / or third-party guarantee for loans, guidelines issued to banks on priority sector lending will apply.

#### **4. Reservations for SC / ST Beneficiaries under Major Centrally Sponsored Schemes.**

There are several major centrally sponsored schemes under which credit is provided by banks and subsidy is received through Government Agencies. Credit flow under these schemes is monitored by RBI. Under each of these, there is a significant reservation / relaxation for the members of the SC / ST communities.

Under the DRI Scheme, banks provide finance up to ₹15,000/- at a concessional rate of interest of 4 percent per annum to the weaker sections of the community for engaging in productive and gainful activities. In order to ensure that persons belonging to SCs / STs also derive adequate benefit under the Differential Rate of Interest (DRI) Scheme, banks have been advised to grant to eligible borrowers belonging to SCs / STs such advances to the extent of not less than 2/5th (40 percent) of total DRI advances. Further, the eligibility criteria under DRI that size of land holding should not exceed 1 acre of irrigated land and 2.5 acres of unirrigated land are not applicable to SCs / STs. Members of SCs / STs satisfying the income criteria of the scheme can also avail of housing loan up to ₹ 20,000/- per beneficiary over and above the individual loan of ₹ 15,000/- available under the scheme.

## **6. Monitoring and Review**

6.1 A special cell should be set up at the Head Office of banks for monitoring the flow of credit to SC / ST beneficiaries. Apart from ensuring the implementation of the RBI guidelines, the cell would also be responsible for collection of relevant information / data from the branches, consolidation thereof and submission of the requisite returns to RBI and Government.

6.2 SLBC convenor Bank should invite the representative of National Commission for SCs / STs to attend SLBC meetings. Besides, the Convener bank may also invite representatives from National Scheduled Castes and Scheduled Tribes Finance and Development Corporation (NSFDC) and State Scheduled Castes and Scheduled Tribes Finance and Development Corporation (SCDC) to attend SLBC meetings.

6.3 A periodical review should be made by the Head Office of banks of the credit extended to SCs / STs on the basis of returns and other data received from the branches.

6.4 Bank should review the measures taken to enhance the flow of credit to SC / ST borrowers on a quarterly basis. The Review should also consider the progress made in lending to these communities directly or through the State Level Scheduled Caste / Scheduled Tribe Corporations for various purposes based, amongst others, on field visits of the senior officers from the Head Office / Controlling Offices. Any major gap

or variation in credit flow to SC/ST on a year to year basis should be reported to Board of the Bank for review under the themes of “Financial Inclusion” in term of [circular DBR No.BC.93/29.67.001/2014-15 dated May14, 2015](#).
