RBI Cautions against Misuse of cancelled NBFC Certificate of Registration

It has come to the notice of the Reserve Bank of India that some entities/imposters, including companies, partnership firms, individuals, etc., are fraudulently impersonating as Non Banking Financial Companies (NBFCs) registered with the Reserve Bank of India, by forging the Certificate of Registration cancelled by Reserve Bank of India. It is understood that entities/imposters are promising loans to the needy public at attractive rates and collecting money from them as processing charges for the loans/advances and vanish with the money so collected.

Such fraudulent activities/offers are punishable under the law. Members of public are advised to exercise due caution and not to fall prey to such fraudulent activities/offers and to inform the local police authorities if any such activities come to their notice.

Do not make any payment or financial commitment to any individuals/entities without verifying the veracity of the transaction, the credentials and genuineness of licence or Certificate of Registration issued by the appropriate regulatory authority to function as a financial institution.

Be informed! Be Safe!
