2. Bidders may get their doubts clarified during pre-bid meeting in Main office. Any change in mode of meeting shall be intimated to bidders in advance. The Bank discourages stipulation of any additional conditions by the tenderers. However, in case the tenderers wish to include any condition / clarification, it shall be separately uploaded in MSTC Portal in their letter head. The clarifications / conditions etc. uploaded if any will be examined and after discussions with all the tenderers, the conditions that are acceptable to the Bank will be intimated to the tenderers. No request for any change in rate or conditions after the opening of the tender will be entertained. However, decision of the Bank on acceptance of conditions put by the bidders is final and binding.
3. Bidders may choose to present for Tender Opening Event in the Bank's Main Office at scheduled date and time. Part I (Techno-Commercial Bid) of the tender shall be opened at **February 02, 2026, 11:00 AM**. Part II (Price Bid) shall be opened on a subsequent date and time which shall be intimated to the bidders who are successfully qualified in Part I of tender.
4. All information, correspondence letters, shall be submitted through email on email id estatebangalore@rbi.org.in and addressed to the Regional Director, Reserve Bank of India, Estate Department, Bengaluru.
5. Tenders shall remain valid for acceptance by the Bank for a period of three months from the date of opening of Part I of the tender which period may be extended by mutual agreement and the tenderer shall not cancel or withdraw the tender during this period.

6. The rates quoted shall be based on the **Part-II (Price-Bid) of tender** and shall be firm and binding without any escalation whatsoever till the completion of the contract. Due to limitation in number of words in price bid in MSTC portal, full description may not be available. However, tenderer shall read all specifications/drawings/conditions from the Techno-Commercial Bid (Part I).
7. For any item, if the rate and amount do not tally with respect to the bill of quantities, then the amount arrived on the basis of quoted rates shall only be considered.
8. Digital Signatures may be used to submit the tender in token of his / their acquainted himself / themselves with the terms and conditions of the Techno-Commercial Bid.
9. If any of the document is missing, the tender may be considered invalid by the Bank at its discretion. No advice of any change in rate or conditions after opening of the tender will be entertained.
10. The vendors shall pay the transaction fee vide the procedures listed in '**Guidelines for e-procurement**'. Transaction fee is non-refundable. A vendor will not have the access to online e-tender without making the payment towards transaction fee.
11. The Reserve Bank of India does not bind itself to accept, the lowest or any tender and reserve to itself the right to accept or reject any or all the tenders, either in whole or in part, without assigning any reasons for doing so.
12. On receipt of intimation from the Employer of acceptance of his / their tender, the successful bidder shall be bound to implement the contract and within fourteen days thereof the successful bidder shall sign an agreement in accordance with the draft agreement and the Schedule of Conditions but the written acceptance by the Reserve Bank of India of a tender will constitute a binding contract between the Reserve Bank of India and the person so tendering, whether such formal agreement is or is not subsequently executed.

13. 5% of the value of the work done will be deducted by the Employer from each payment and bills to be made to the Contractors towards Retention Money. This Retention Money to be deducted of the accepted Contract Value submitted by the successful bidder will be termed as 'Total Security Deposit'. Security Deposit, i.e. Retention Money, will be released by the Employer after successful completion of the Defect Liability Period including rectification of the defects observed during the Defects Liability Period. This amount retained by the Employer shall not bear any interest.
14. All compensation or other sums of money payable by the Contractor to the Employer under the terms of this Contract may be deducted from the Security Deposit if the amount so permits and the Contractor shall, unless such deposit has become otherwise payable, within ten days after such deduction make good in cash the amount so deducted.
15. The whole of the works included in the contract shall be executed by the contractor and the contract or any part/share thereof or any interest therein shall not be sublet without the written consent of the Bank. Engagement of labour on a piece-work basis or of labour with materials not to be incorporated in the work, shall not be deemed to be subletting. In case of breach of these conditions, the Bank may serve a notice in writing on the contractor rescinding the Contract whereupon the security deposit shall stand forfeited to the Bank.
16. The Contractor shall carry out all the work strictly in accordance with Design and drawings (if any), details, specifications and instructions of the Bank's Engineer. If in the opinion of the Bank's Engineer changes have to be made in the design and with the prior approval in writing of the Employer they desire the Contractor to carry out the same, the contractor shall carry out the same without any extra charge. The Bank's decision in such cases shall be final and shall not be open to arbitration.
17. A Schedule of Probable Quantities in respect of each work and specifications accompany these Instructions to Bidders. The Schedule of Probable Quantities is

liable to alteration by omissions, deductions or additions at the discretion of the Bank.

18. The tenderer must obtain for himself on his own responsibility and at his own expenses all the information which may be necessary for the purpose of making a tender and for entering into a contract and must examine the drawings (if any) and must inspect the site of the work and acquaint himself with all local conditions, means of access to the work, nature of the work and all matters appertaining thereto.
19. The rates quoted in the tender shall include all charges for clearing of site before commencement as well as after completion, plant and equipment, temporary lines for drawing plumbing and electricity supply arrangements (water and electricity may be made available at the available sources within the Bank's Premises), protection of the public and safety of walls, buildings and all other erections, matters or things and the Contractor shall take down and remove any or all such scaffolding, etc. as occasion shall require or when ordered so to do and fully reinstate and make good all matters and things disturbed during the execution of work and to the satisfaction of the Bank. The rates quoted shall be deemed to be for the finished work to be measured at site. The rates shall also be firm and shall not be subject to exchange variations, Labour conditions, fluctuations in freight charges or any conditions whatsoever.
20. **The rates for each item in Part II (Price Bid) in MSTC Portal shall be quoted excluding GST. Total Amount including GST shall be automatically calculated by the MSTC Portal and the total amount for all the items including the G.S.T will be taken as the total Contract Value.** Each invoice / bill shall indicate amongst other things, the contractor's PAN and GST Registration Number. Any change in GST on works contract will be adjusted. The contract value will also be subject to TDS / Withholding Tax as per statutes. While submitting the bill/ invoice for the work, the contractor shall clearly indicate the various components of GST involved in the work value.
21. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the

Page 16 of 72

aggregate value of the Contract. However, during actual execution of work, if the quantities of any of the items of work exceeds by more than 25% of the tender quantities, the quantities of such items executed, by the authority of the Bank's Engineer, in excess of 25% of the tender quantity, shall be considered as an extra item of work for which the Contractors shall submit fresh rates supported by rate analysis worked on the actual cost basis plus 15% towards establishment charges, contractor's overheads and profit. The rates for all such items of work, being current ones, will not be eligible for price adjustment due to increase or decrease in prices of materials and Labour rates. If any of the items of work is omitted from the accepted tender at the sole discretion of the employer, the contractor shall not be entitled to any claim on this account.

22. Time allowed for carrying out the work as mentioned in the Memorandum shall be strictly observed by the Contractor and it shall be reckoned from the 10th day of issue of written order to commence the work.
23. The work shall throughout the stipulated period of the contract be proceeded with all due diligence and if the Contractor fails to complete the work within the specified period, he shall be liable to pay compensation as defined in Clause 27 of the General Conditions of the Contract. The tenderer shall before commence the work, prepare a detailed work programme which shall be approved by the employer. If the contractor fails to continue the work as per the detail work program or fails to deploy Labors as required for the smooth flow of the work, Bank reserves right to cancel the contract agreement entered into.
24. Tenders will be considered only from list of contractors empanelled by the Bank in the trades concerned.
25. The Contractor shall not be entitled to any compensation for any loss suffered by him on account of delays in commencing or executing the work, whatever the cause of delays may be, including delays arising out of modifications to the work entrusted to him or in any sub-contract connected therewith or delays in awarding contracts for other trades of the project or in commencement or completion of such works or in procuring Government controlled or other building materials or in obtaining water and power connections for construction purposes or for any other reason whatsoever and

the Employer shall not be liable for any claim in respect thereof. The Employer does not accept liability for any sum besides the tender amount, subject to such variations as are provided for herein.

26. The successful tenderer is bound to carry out any items of work necessary for the completion of the job even though such items are not included in the quantities and rates. Schedule of instructions in respect of such additional items and their quantities will be issued in writing by the Bank's Engineer.
27. The successful tenderer must co-operate with the other Contractors appointed by the Employer so that the execution of work shall proceed smoothly with the least possible delay and to the satisfaction of the Bank's Engineer.
28. The Contractor must bear in mind that all the work shall be carried out strictly in accordance with the Specifications, design drawings (if any) made by the Bank and also in compliance of the requirements of the local public authorities and to the requirements of the Bank and no deviation on any account will be permitted. Quality of the work should be satisfactory to the Bank as per work specifications. Contractor shall make good the Bank for any low quality of work executed.
29. The successful tenderer should make his own arrangement to obtain all materials required for the work. The materials as far as procurable shall be first / premium quality as approved by Bank's Engineer conforming to relevant Indian standards.
30. The tenderer shall have to use materials of the makes / manufacturers specified in the list of material of approved brand and / or manufacture contained in the e-tender clauses.
31. Electricity and water shall be provided free of cost for execution of the work at one point within the premises. Contractor shall make their own arrangements for conveying the same to the required locations. The contractor shall, however, take care to ensure that no undue wastage of electricity & water is caused. Necessary safety measures shall be taken by the contractor to avoid any mishap. The

contractor shall be penalized by the Bank if any laxity on his part is observed in this matter.

32. The Contractor shall strictly comply with the provisions in the Safety & Fire Safety Codes annexed hereto.

33. IS Code numbers wherever mentioned in the tender shall be the latest version as on the date of opening of tenders.

34. Total Security Deposit (Retention Money) of the successful tenderer will be forfeited if he / they fail to comply with any conditions of the Contract.

35. Errors, Omission and Descriptions:

- a) In case of discrepancy between the Schedule of Quantities, specification and/or the Drawings, the following order of preference shall be observed i) Description of Schedule of Quantities ii) Specifications in Techno-Commercial Bid (Part I) and Special Condition, if any iii) Drawings
- b) In case of difference between the rates mentioned in figures and words, the rate adopted for working out the total amount of item in the original tender form, shall be taken as correct. In all other cases the correct rate would be that which is lower.

36. Clarifications if any with respect to General Conditions, Special Conditions, Scope of work, specifications, design & drawings (if any) or any other matter required for submitting the tender shall be obtained from the Bank during working hours of the Bank, before submitting the tenders. Once a tender is submitted, the matter will be decided according to conditions in the tender in the absence of such authentic pre-clarification.

37. The contractor shall abide by and fulfil all requirements laid down under various provisions of Contract Labour (Regulation and Abolition) Act, 1970 and the rules framed there-under. The contractor shall submit to the Bank the maximum number of Labours to be engaged on a single day in the job. Any subsequent increase should

be informed to the Bank without delay. The contractor shall obtain the license from the Regional Labour Commissioner as per prevailing norms, wherever applicable. The contractor should ensure payment of minimum wages to all Laborers / workmen staff employed by him and maintain record of Labours employed for the work.

38. Contractor should ensure that the instructions/ directions issued by Central as well as State Government, and also by the Bank in connection with Covid-19 Pandemic are followed scrupulously by the workmen deployed at the Bank. (b) The net prices of the original tender shall determine the value of items omitted provided if omissions vary the conditions under which any remaining items of works are carried out, the prices for the same shall be valued under sub-clause(c) hereof.

(c) Where the extra works are not of similar character and/or quoted under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items of works are carried out or if the amount of any omissions or additions relative the amount of the whole of the Contract works or to any part thereof shall be such that in the opinion of the Bank's engineer, the net rate or price contained in the priced Schedule of Quantities or tender or for any item of

the works involves loss or expenses beyond that reasonably contemplated by the contractor or is by reason of such omission or addition rendered unreasonable or inapplicable, the Bank's Engineer shall fix such other rate or price as in the circumstances he shall think reasonable and proper, with the prior approval in writing of the Employer.

(d) Where extra work cannot be properly measured or valued, the Contractor shall be allowed day work prices as the net rates stated in the tender or the Priced Schedule or Quantities or, if not so stated, then in accordance with the local day work rates and wages for the district provided that in either case vouchers specifying the daily time (the workmen's names) and materials employed be delivered for verification to the Bank's Engineer at or before the end of the week following that in which the work has been executed. The measurement and valuation in respect of the Contract shall be completed within the "period of final measurements".

(e) It is further, clarified that for all such authorized extra items where rates cannot be derived from tender, the contractor shall submit rates, supported by rate analysis worked out based on CPWD schedule of rate analysis or for items not available in CPWD schedule, based on market rate with "actual cost basis", plus 15% towards establishment charges, contractor's overheads and profit. Such items will not be eligible for price adjustment/escalation due to increase or decrease in prices of materials and labour rates.

19. Unfixed materials when taken into account to be the property of the Employer

Where in any certificates (of which the Contractor has received payment) the Bank's Engineer has included the value of any unfixed materials included for and/or placed on or adjacent to the works such materials shall become the property of the Employer and they shall not be removed except for use upon the works, without the written authority of the Employer. The Contractor shall be liable for any loss of, or damage to, such materials

20. Removal of improper work : The Employer shall, during the progress of the works, have power to order in writing from time to time the removal from the works within such reasonable time or times as may be specified in the order of any materials which in the

opinion of the Bank's Engineer are not in accordance with the Specifications, the substitutions of proper materials, and the removal and proper re-execution of any work executed with materials or workmanship not in accordance with the drawings (if any) & specifications or instructions and the contractor shall forthwith carry out such order at his own cost. In case of default on the part of Contractor to carry out such order, the Employer shall have the power to employ and pay other persons to carry out the same; and all expenses consequent thereon, or incidental thereto, shall be borne by the Contractor, or may be deducted by the Employer from any moneys due, or that may become due, to the Contractor.

21. Defects after virtual completion : Any defect, shrinkage, settlement or other fault which may appear within the "Defects Liability Period" stated in the Appendix hereto, or, if none stated them within sixty months after the date of issue of virtual completion certificate of the work, arising in the opinion of the Employer from materials and/or workmanship not in accordance with the contract, shall upon the direction in writing of the Employer, and within such reasonable time as shall be specified therein, be amended and made good by the Contractor, at his own cost, or in case of default, the Employer may employ and pay other persons to amend and make good such defects or other faults, and all damages, loss and expenses consequent thereon or incidental thereto shall be made good and borne by the Contractor or may be deducted by the Employer, upon the Bank's Engineer's Certificate in writing, from any money due or that may become due to the Contractor, or the Employer may in lieu of such amending and making good by the Contractor deduct from any money due to the Contractor a sum, to be determined by the Bank's Engineer equivalent to the cost of amending such work and in the event of the amount retained as security deposit being insufficient, recover the balance from the Contractor, together with any expenses the Employer may have incurred in connection therewith. Should any defective work have been done or materials supplied by any sub-contractor employed on the works who has been nominated as provided under clause 13 and 23 hereof, the contractor shall be liable to make good in the same manner as if such work or material had been done or supplied by the Contractor and been subject to the provision of this clause and clause 2 hereof. The contractor shall remain liable under the provisions of the clause notwithstanding the signing of any certificate or the passing of any accounts by the Employer.

22. Certificate of virtual completion and defects liability period: The works shall not be considered as completed until the Bank's Engineer has certified in writing that they have been virtually completed. The defects liability period shall commence from the date of issue of virtual completion certificate.

- (v) Has neglected or failed persistently to observe and perform all of any of the acts, matter or things by the Contract to be observed and performed by the Contractor for seven days after written notice shall have been given to the Contractor requiring the Contractor to observe or perform the same.

Then and in any of the said cases the Employer may, notwithstanding any previous waiver, after giving seven days' notice in writing to the Contractor, determine the contract, the whole of which shall continue in force as fully as if the Contract has not been so determined, and so if the works subsequently execute had been executed by or on behalf of the Contractor. And further, the Employer by his agents or servants may enter upon and taken possession of the works and all plant, tools scaffoldings, sheds, machinery, steam and other power utensils and materials lying upon the premises or the adjoining lands or roads, and use the same as his own property or may employ the same by means of his own servants and workmen in carrying on and completing the work or by employing any other Contractor or other person or persons to complete the works, and the Contractor shall not in any way interrupt or do any act matter or thing to prevent or hinder such other contractor or other person or persons employed for completing and finishing or using the materials and plant for the works. When the works shall be completed or as soon thereafter as convenient the Bank shall give a notice in writing to the Contractor to remove his surplus materials and plant, and should the Contractor fail to do so within a period of fourteen days after receipt thereof by him, the Employer may sell the same by public auction, and give credit to the Contractor for the net amount realized. The employer shall thereafter ascertain and certify in writing under

his hand what of the said plant and materials so taken possessions or by the Employer and the expenses or loss which the Employer shall have been put to in procuring the works to be completed and the amount. If any, owing the Contractor and the amount which shall be so certified shall thereupon be paid by the Employer to the Contractor or by the Contractor to the Employer, as the case may be, and the Certificate of the Bank shall be final and conclusive between the parties.

31. **Termination of Contract by Contractor:** If this payment of the amount payable by the Employer under Certificate of the Bank's Engineer shall be in arrears and unpaid for thirty days after notice in writing requiring payment of the amount as aforesaid shall have been given by the Contractor to the Employer, or if the Employer interferes with or obstructs the issue of any such Certificate, or if the Employer shall repudiate the Contract, or if the works be stopped for three months under the order of the Employer or by any injunction or other order of any court of Law, then and in any of the said cases the Contractor shall be in liberty to terminate the Contract by notice in writing to the Employer, and he shall be entitled to recover from the Employer, payment for all works executed and for any loss he may sustain upon any plant or materials supplied or purchased or prepared for the purpose of the Contract.

In arriving at the amount of such payment the net rates contained in the Contractor's original Tender shall be followed or where the same may not apply valuation shall be made in accordance with Clause 18 hereof.

32. **Certificates and Payments:**

- a. The Contractor shall be paid by the Employer from time to time by instalments under Interim Certificates to be issued by the Bank's Engineer to the Contractor on account of the works executed when in the opinion of the Bank's Engineer, work to the approximate value named in the Appendix as 'Value of work for Interim Certificates' (or less at the reasonable discretion of the Bank's Engineer) has been executed in accordance with this Contract, subject, however, to a retention of the percentage of such value named in the Appendix hereto as 'Retention Percentage for Interim Certificates' until the total amount retained shall reach the sum named in Appendix as 'Total "Retention Money' after which time instalments shall be up to the full value

of the work subsequently so executed and fixed in the building. And when the works have been virtually completed and the Bank's Engineer shall have certified in writing that they have been completed, the Contractor shall be paid by the Employer in accordance with the Certificate to be issued by the Bank's Engineer the sum of money named in the Appendix as 'Instalment after Virtual Completion' being a part of the said Total Retention money. And the Contractor shall be entitled to the payment of the final balance in accordance with the Final Certificate to be issued in writing by the Bank's Engineer at the expiration of the period referred to as the 'Defect Liability Period' in the Appendix hereto from the date of Virtual Completion or as soon as after the expiration of such period as the works shall have been finally completed and all defect made good according to the true intent and meaning hereof whichever shall last happen, provided always that the issue by the Bank's Engineer of any Certificate during the progress of the works or at or after their completion shall not relieve the contractor from his liability under Clause 2 and 21, in cases of fraud, dishonesty, or fraudulent concealment relating of the works or material or to any matter dealt with in the Certificate, and in case of all defects and insufficiencies in the works or materials which a reasonable examination would not have disclosed. No certificate of the Bank's Engineer shall of itself be conclusive evidence that any works or materials to which it relates are in accordance with the Contract neither will the Contractor have a claim for any amounts which the Bank's Engineer might have certified in any interim bill and paid by the Employer, and which might subsequently be discovered as not payable and in this respect the Employer's decision shall be final and binding.

- b. The contractor, on signing an undertaking on stamp paper in the proforma given at [Annex 3](#), shall be entitled to be paid during the progress of the execution of the work up to 75% of the assessed value of any materials or an amount not exceeding 75% of the material element cost in the tendered rate of the finished item of the work, whichever is lower, which are in the opinion of the Engineer-in-Charge non-perishable, nonfragile and non-combustible and are in accordance with the contract and which have been brought on the site in connection therewith and are adequately stored and/or protected against damage by weather or other causes but which have not at the time of advance been incorporated in the works. When materials on account of which an advance has been made under this sub-clause are incorporated

in the work, the amount of such advance shall be recovered/deducted from the next payment made under any of the clause or clauses of this contract. The decision of the Engineer- in-Charge shall be final and binding on the contractor in this matter. No secured advance, shall however, be paid on high-risk materials such as ordinary glass, sand, petrol, diesel etc

- c. The Contractor has to submit along with his all running account bills and final bill, a statement showing the details as well as the quantities of cement, steel and other building materials procured by him up to the date of the bill for verification of the same before settlement of such bills by the Bank.
- d. The Bank's Engineer shall have power to withhold any Certificate if the works or any parts thereof are not being carried out to his satisfaction.
- e. The Bank's Engineer may make any correction in any previous Certificate which shall have been issued by him.
- f. No certificate of payment shall be issued by the Bank's Engineer if the Contractor fails to insure the work and keep them insured till the completion of Defect Liability Period (DLP).
- g. Payment upon the Bank's Engineer's Certificate shall be made within the periods named in the Appendix as 'Period for honor of Certificates' after such Certificates have been delivered to the Employer

The following terms of payment only are applicable for the work.

On account bills shall be made as under detailed item-wise measurement will be taken and payment shall be made based on completion of specific item of work basis on the quoted rate. All payment shall be subject to recovery of 5% towards Retention Money & applicable taxes as per the statutory requirements. Contractor shall note that the interim value of work done towards payment of running bill is **40% of Contract Value**.

33. **Delayed Payment:** Any amounts payable by the Employer to the Contractor shall, if not paid within the 'period of honoring certificates' named in the Appendix carry interest at the rate named in the Appendix as the "Rate of interest for delayed payment" from the

date upon which sum ought to have been paid by the Employer until the payment subject to production of all required information/ clarifications by the contractor.

34. **Matters to be finally determined by Bank:** The decision, opinion, direction Certificate (except for payment) with respect to all or any of the matters under Clause 2, 4, 7, 8, 13, 17, 18, 19, 20, 21, 22, 28 (a, b, c, d, e, f) hereof (which matters are herein referred to as the expected matters) shall be final and conclusive and binding on the parties hereto and shall be without appeal. Any other decision, opinion, direction, shall be subject to the right of Arbitration and review under the Clause 35 hereof in the same way in all respects (including the provisions as to opening the reference) as if it were a decision of the Bank's Engineer.
35. **Settlement of disputes by Arbitration:** All disputes and differences of any kind whatever arising out of or in connection with the contract or the carrying out of the works (whether during the progress of the works or after their completion and whether before or after the determination abandonment or breach of the contract) shall be referred to and settled by the Bank who shall state its decision in writing. Such decision may be in the form of a final certificate or otherwise. The decision of the Bank with respect to any of the excepted matters shall be final and without appeal as stated in preceding clauses. But if either, the Contractor be dissatisfied on any matter the Contractor may within 28 days after receiving notice of such decision give a written notice to the other party requiring that the matters in dispute be arbitrated upon. Such written notice shall specify the matters, which are in dispute or difference of which such written notice has been given. If both the parties agree a single arbitrator would be appointed for the purpose. In case no agreement could be reached on the appointment of single arbitrator, both the parties will nominate one person each as an arbitrator on their behalf. The two arbitrators nominated by the parties shall nominate one more person to act as third arbitrator or umpire.

The arbitrator or arbitrators, as the case may be, shall have power to open up, review and revise any certificate, opinion, decision, requisition or notice, save in regard to the excepted matters, referred to in the preceding clause, and to determine all matters to

dispute which shall be submitted to arbitration and of which notice shall have been given as aforesaid.

The arbitrator or arbitrators, as the case may be, shall make his or their award within one year (or such further extended time as may be decided by him or them as the case may be with the consent of the parties) from the date of entering on the reference. In case during the arbitration proceedings the parties mutually settle or compromise their dispute or difference, on the parties filing their joint memorandum of the settlement or compromise, the arbitrator or the arbitrators as the case may be, shall make an award in terms of such settlement or compromise.

Upon any such reference, the decision on the cost incidental to the reference and award respectively shall be in the discretion of the arbitrator or arbitrators as the case may be, who may determine the amount thereof or direct the same to be taxed as between the party and party, and shall direct by whom and to whom and in what manner the same shall be borne and paid.

This submission shall be deemed to be a submission to arbitration within the meaning of the Indian Arbitration and Conciliation Act, 1996 or any statutory modification thereof. The award of the arbitrator or arbitrators, as the case may be, shall be final and binding on the parties. It is agreed that the Contractor shall not delay the carrying out of the works by reason of any such matter, question or dispute being referred to arbitration, but shall proceed with the works with all due diligence and shall until the decision of the arbitrator or arbitrators is given, abide by the decision of the Bank. No award of the arbitrator or arbitrators, as the case may be, shall relieve the Contractor of his obligations to adhere strictly to the Bank's instructions with regard to the actual carrying out of the works. The Employer and the Contractor hereby also agree that arbitration under this clause shall be a condition precedent to any right of action under the contract.

36. **Right of technical scrutiny of final bill:** The Employer shall have a right to cause a technical examination of the works by any of the persons or organization as appointed by the employer and the final bill of the Contractor including all supporting vouchers, abstracts, etc. If as a result of this examinations or otherwise any sum is found to have been overpaid or over certified it shall be lawful for the Employer to recover the sum

from any payment due to the Contractor for this works or any other works being carried out by the contractors elsewhere under the RESERVE BANK OF INDIA.

37. **Employer entitled to cover compensation paid to workmen:** If, for any reason, the Employer is obliged, by virtue of the provisions of the Workmen's Compensation Act, 1923, or any statutory modification or re-enactment thereof to pay compensation to a workman employed by the Contractor in execution of the works, the Employer shall be entitled to recover from the Contractor the amount of compensation so paid, and without prejudice to the rights of the Employer under the said Act, the Employer shall be at liberty to recover such amount or any part thereof by deducting it from the security deposit or from any sum due to the Contractor. The Employer shall not be bound to contest any claim made against it under the said Act, except on the written request of the Contractor and upon his giving to the Employer full security to the satisfaction of the Employer for all costs for which the Employer might become liable in consequence of contesting such claim.
38. **Abandonment of works:** If at any time after the acceptance of the tender, the Employer shall for any reasons whatsoever not requires the whole or any part of the works to be carried out, the Bank shall give notice in writing to the Contractor who shall have no claim to any payment of compensation or other-wise whatsoever on account of any profit or advantage which he might have derived from the execution of the whole works.
39. **Return of surplus materials:** Notwithstanding anything to the contrary contained in any or all the clauses of this Contact, where any material for the execution of the Contract is procured with the assistance of the Employer by purchase made under orders or permits or licenses issued by Government, the Contractor shall hold the said materials economically and solely for the purpose of the Contract and not dispose of them without the prior written permission of the Employer and return it to the Employer, if required by the Employer, at the price to be determined by the Bank having due regard to the conditions of the materials, the price to be determined not be exceed the purchase price thereof inclusive of GST and other such levies paid by the Contractor in respect thereof, in the event of breach of the aforesaid condition, the Contractor shall in addition to being liable to action for contravention of the terms of licenses or permit and/or criminal breach

of trust, be liable to Employer for all moneys, advantages or profits resulting or which in the usual course would have resulted to his by reason of such breach.

40. **Non-Disclosure Clause:** The Contractor shall not disclose directly or indirectly any information, materials and details of the Bank's infrastructure / systems / equipment etc., which may come to the possession or knowledge of the Contractor during the course of discharging its contractual obligations in connection with this agreement, to any third party and shall at all times hold the same in strictest confidence. The Contractor shall treat the details of the contract as private and confidential, except to the extent necessary to carry out the obligations under it or to comply with applicable laws. The Contractor shall not publish, permit to be published, or disclose any particulars of the works in any trade or technical paper or elsewhere without the previous written consent of the Employer. The Contractor shall indemnify the Employer for any loss suffered by the Employer as a result of disclosure of any confidential information. Failure to observe the above shall be treated as breach of contract on the part of the Contractor and the Employer shall be entitled to claim damages and pursue legal remedies.

The Contractor shall take all appropriate actions with respect to its employees to ensure that the obligations of non-disclosure of confidential information under this Agreement is fully satisfied.

The Contractor's obligations with respect to non-disclosure and confidentiality will survive the expiry or termination of this agreement for whatever reason.

41. **Right of employer to terminate contract in the event of death of Contractor if individual:** Without prejudice to any of the rights or remedies under this Contract, if the Contractor, being an individual, dies, the Employer shall have the option of terminating the contract without incurring any liability for such termination.

42. The contractor shall comply with the provisions of the Payment of Wages Act, 1936, Minimum Wages Act, 1948, Employees Liability Act, 1938, Workmen's Compensation Act, 1923, Industrial Disputes Act, 1947, Maternity Benefits Act, 1961, or the modifications thereof or any other relevant laws and the rules made thereunder from time to time.

43. The contractor shall abide by and fulfill all requirements laid down under the Contract Labor (Regulation and Abolition) Act, 1970 and the rules framed there under.

Undertaking in connection with

Payment of advance on materials consumed in ready to install parts delivered by the Contractor at the site

(On Non-Judicial Stamp Paper of appropriate value)

To,
The Regional Director
Estate Department
Reserve Bank of India
.....

Dear Sir/Madam

..... **(name of work)**

This undertaking made this _____ day of _____ by M/s _____ (Name of the Contractor) hereinafter referred as Contractor.

The Employer and the Contractor have entered into an Agreement dated _____ hereinafter called as the said Agreement and in terms of **Clause No.32** in the General Conditions of Contract, the Employer has agreed at his discretion on the request of Contractor that the Contractor will be paid an advance of up to 75% of the cost of materials consumed in ready to install parts delivered by the Contractor to the site (hereinafter called as Material) for installation in the works.

The Contractors have applied to the Employer that they be allowed advances on the security of materials absolutely belonging to him and brought by him to the site of work. The Employer has agreed to do so on the terms and conditions hereinafter set out.

Now this letter of Undertaking witnesses that in consideration of the said Agreement, and in consideration of the amount paid/payable to the Contractors by the Employer and of any

further advances as may be made to the Contractor as aforesaid, the Contractor hereby agrees with the Employer and undertake as under:

1. The amount advanced by the Employer to the Contractor as aforesaid and all or any further sum or sums advanced shall be employed by the Contractor in or towards expending the execution of the said Works and for no other purpose whatsoever.

2. That the materials which have been offered to and accepted by the Employer as security are absolutely the Contractor's own property and free from encumbrances of any kind and the Contractor will not make any application for or receive a further advance on the security of materials which are not absolutely his own property and not free from encumbrances of any kind and the Contractor indemnifies the Employer against all claims in respect of which an advance has been made to them as aforesaid.

3. That the materials on the security of which any further advance or advances may hereafter be made as aforesaid (hereinafter called the said Materials) shall be used by the Contractor solely in the execution of the said Works in accordance with the directions of the Bank's Engineer and in the terms of the said Agreement.

4. That the Contractor shall make at his own cost all necessary and adequate arrangement for the proper watch, safe custody and protection against all risk of the said Materials and that until used in installation as aforesaid, the said Materials shall remain at the site of the said Works in the Contractor's custody and on their own responsibility and shall at all times be open to inspection by the Bank's Engineers or any officer authorized by the Engineer-in-Charge.

In the event of the said Materials or any part thereof being stolen, destroyed or damaged, the Contractor will forthwith replace the same with other materials of like quality or repair and make good the same complete in all respect conforming to the specifications of Contract.

5. That the said materials shall not on any account be removed from the site of the said Works except with the written permission of the Engineer-in-Charge.

6. That the advances shall be repayable in full when or before the Contractors received payment from the Employer of the price payable to them for the said Works under the terms and the provisions of the said Agreement provided that if any intermediate payments are made to the Contractors on account of work done, then on the occasion of each such payment the Employer will be at liberty to make a recovery from the Contractor's bill for such payment by deducting therefrom the value of the said Materials the actually used in the construction and in respect of which recovery has not been made previously the value for this purpose being determined in respect of each description of materials at the rates at which the amounts of the advances made under these presents were calculated.

7. That if Contractor shall at any time make any default in the performance or observance in any respect of any of the terms and provisions of the said Agreement or of the presents, the total amount of the advance or advances that may still be owing to the Employer shall immediately on the happening of such default be repayable by the Contractor to the Employer together with interest thereon at twelve percent per annum from the date or respective dates of such advance or advances to the date of repayment and with all costs, charges, damages and expenses incurred by the Employer in or for the recovery thereof or the enforcement of this security or otherwise by reason of the default of the Contractor and the Contractor hereby covenants and agree with the Employer to repay and pay the same respectively to him accordingly.

8. That the Contractor hereby charges all the said Materials with the repayment to the Employer of the sum or sums, advances as aforesaid and all cost, charges, damages and expenses payable under these presents PROVIDED ALWAYS and it is hereby agreed and declared that notwithstanding anything in the said Agreement and without prejudice to the powers contained therein if and whenever the covenant for payment and repayment hereinbefore contained shall become enforceable and the money owing shall not be paid in accordance therewith, the Employer may at anytime thereafter adopt all or any of the following courses as he may deem best.

(a) Seize and utilize the said materials or any part thereof in the completion of the said Works on behalf of the Contractor in accordance with the provisions in that behalf contained

in the said Agreement, debiting the Contractor with the actual cost of effecting such completion and the amount due in respect of advances under these presents and crediting the Contractor with the value of work done as if he had carried it out in accordance with the said Agreement and at the rates thereby provided. If the balance is against the Contractor, he is to pay same to the Employer on demand.

(b) Remove and sell by public auction the seized materials or any part thereof and out of the moneys arising from sale retain all the sums aforesaid repayable or payable to the Employer under these presents and pay over the surplus (if any) to the Contractor.

(c) Deduct all or any part of the money owing out of the security deposits or any sum due to the Contractor under the said Agreement.

9. That except in the event of such default on the part of the Contractor as aforesaid interest on the said Advance shall be payable.

10. That in the event on any conflict between the provisions of these presents and the said Agreement the provisions of these presents shall prevail and in the event of any dispute or difference arising over the construction or effect of these presents the settlement of which has not been hereinbefore expressly provided for, the same shall be referred to the Employer whose decision shall be final and no appeal shall lie against his decision before any court, arbitrator or authority.

11. The provision of this undertaking shall be deemed to be supplemental to the said Agreement.

IN WITNESS WHEREOF the Contractor have set their hands to these presents the day and year first hereinabove written.
