Section III – General Rules and Instructions to Bidders

Section III (a) - General Instructions to bidders

1.	Bids in Two Part system
	i) The tender is in two parts viz. the Part I shall contain duly filled tender Part I (Techno-commercial bid) and the Part II shall contain duly filled in Price bid. The bidders are required to submit their bids electronically on the CPPP https://etenders.gov.in/eprocure/app, using valid Digital Signature Certificates. ii) The instructions given above under “Important instructions regarding e-tender” (<u>Section II</u>) are meant to assist the bidders in registering on the CPPP, prepare their bids in accordance with the requirements and submitting their bids online on the CPPP. The duly filled-in tenders, as above, can only be submitted on CPPP not later than the date and time for receipt of tender (as specified in NIT / Schedule of e-tender).
2.	Definitions
	<u>Clause 1 of Section IV (b)</u> details Definitions which shall apply to the entire Tender Document.
3.	Clarifications and pre-bid meeting
	i. Bidders requiring any clarification of this document shall contact the Bank in writing at the email address mentioned in this document or raise queries during the pre-Bid meeting. The queries should be sent before the commencement of the pre-Bid meeting. ii. The bidders’ designated representatives are invited to attend a pre-Bid meeting on the date indicated in SOT. The purpose of the meeting will be to clarify issues and to answer queries which may be raised at that stage. Non-attendance at the pre-Bid meeting will not be a cause for disqualification of a bidder. However, no queries related to the tender may be entertained after the pre-bid meeting. Any tender received with any deviation/ Condition is liable for rejection.

4.	Site Visit The bidder is required to execute the work of Replacement of distressed RCC chajjas with modular FRP chajjas at RBI Colony, Shalimar Bagh indicated in this document {Section-IV (a)} and is advised to visit and acquaint himself/herself with the site conditions. The cost of visiting shall be borne by the bidder. It shall be deemed that the bidder has undertaken a visit to the premises and is aware of the operational and site conditions prior to the submission of the tender documents.		
5.	Amendment to Tender document (i) At any time prior to the deadline for the submission of tender/bids, the Bank may, for any reason, whether at its own initiative or in response to a clarification or query raised by a prospective bidder, modify any part of the tender document by an amendment and the same will be uploaded on RBI's website https://www.rbi.org.in/Scripts/BS_ViewTenders.aspx. (ii) The said amendment in the form of the addendum/ corrigendum shall be binding on all the bidders. The addendum (s), if any, issued will form part of the Contract document. (iii) To afford prospective bidders reasonable time for preparing their Bids after taking into account such amendments, the Bank may, at its discretion, extend the deadline for submission of bids.		
6.	Debarment A bidder is liable for debarment/disqualification from bidding on the following grounds: <table border="1" data-bbox="343 1541 1522 1930"> <tr> <td data-bbox="343 1541 491 1930">(1)</td><td data-bbox="491 1541 1522 1930"> If it is determined that the bidder has committed the following acts or omissions in contravention of the code of integrity: (i) a. making offer, solicitation or acceptance of bribe, reward or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process. </td></tr> </table>	(1)	If it is determined that the bidder has committed the following acts or omissions in contravention of the code of integrity: (i) a. making offer, solicitation or acceptance of bribe, reward or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process.
(1)	If it is determined that the bidder has committed the following acts or omissions in contravention of the code of integrity: (i) a. making offer, solicitation or acceptance of bribe, reward or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process.		

	b. any omission or misrepresentation that may mislead or attempt to mislead so that financial or other benefit may be obtained, or an obligation avoided. c. any collusion, bid rigging or anticompetitive behavior that may impair the transparency, fairness, and the progress of the procurement process. d. improper use of information provided by the procuring entity to the bidder with an intent to gain unfair advantage in the procurement process or for personal gain. e. any financial or business transactions between the bidder and any official of the procuring entity related to the tender or execution process of Contract: which can affect the decision of the procuring entity directly or indirectly. f. any coercion or any threat to impair or harm, directly or indirectly, any party or its property to influence the procurement process. g. obstruction of any investigation or auditing of a procurement process. h. making false declarations or providing false information for participation in a tender process or to secure a Contract. (ii) failed to disclose conflict of interest. (iii) failed to disclose any previous transgressions made in respect of the provisions of sub-clause (i) with any public institution / entity in India or any other country during the last three years or of being debarred by any public procuring institution / entity.
(2)	For any actions or omissions by the bidder other than violation of code of integrity, which in the opinion of the Bank warrants debarment, for the reasons like supply of sub-standard material, non-supply of material, abandonment of works, sub-standard quality of works, failure to abide terms of the tender etc.

	(3) If the bidder has been convicted of an offence— (a) under the Prevention of Corruption Act, 1988; or (b) the Indian Penal Code/ Bharatiya Nyaya Sanhita 2023 (BNS) or any other law for the time being in force, for causing any loss of life or property or causing a threat to public health as part of execution of a public procurement Contract.
	The bidder has to submit an undertaking in the format provided in Annexure III .
7.	Preparation of bid and Cost of bidding i. The bidder must obtain for himself on his/her own responsibility and at his/her own expenses all the information which may be necessary for the purpose of making a tender and for entering into a Contract and must inspect the site of the work and acquaint himself with all local conditions, means of access to the work, nature of the work and all matters pertaining thereto. ii. The bidder shall be deemed to have carefully examined the work and site conditions including labour, the General rules and instructions to the bidders, the general and specific conditions of Contract, and carried out his/her own investigations to arrive at the rates quoted in the tender. In this regard, he/she will be given necessary information available with the Bank but without any guarantee about its sufficiency and accuracy. iii. Bids and all accompanying documents shall be in English or in Hindi. In the event of any discrepancy or ambiguity between the English and Hindi version of the documents, the English version shall prevail in matters of interpretation.
8.	Format to be used The bidder must fill up, sign and upload only the tender forms/formats issued by the Bank, stating the rates at what he/she is willing to undertake the work in CPPP https://etenders.gov.in/eprocure/app. Tenders, which propose any alteration in the work specified in the said form of invitation to tender, or in the time allowed for carrying out the work, or which contain any other conditions of any sort, including conditional rebates, will be liable for rejection. All requisite information, documents etc. shall also be uploaded on the CPPP only.

9.	Item Rate Tender
	The Bidder should note that unless otherwise stated, the tender is strictly on item rates basis, and his/her attention is drawn to the fact that rates for each and every item should be correct, workable and self-supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the Contract. Rates quoted shall remain firm for a variation of plus (+) or minus (-) 25% of the specified quantities of each item in the Schedule of Quantity.
10.	Filling of rates
	i. The amount for each item should be worked out, and requisite totals should be given in the specified column. ii. In the event, no rate has been quoted for any item(s), leaving space in figure(s), and amount blank, the tender shall be considered incomplete and shall not be considered. iii. No advice of any change in rate or conditions after the opening of the tender will be entertained.
12.	Signing of Bid, Power of Attorney
	(i) Bidders shall submit online along with Part-I of the tender, a power of attorney, on a stamp paper of appropriate value and duly notarized, in favour of the person digitally signing the Bid documents authorizing him/her to sign the Bid documents, make corrections/ modifications thereto and interacting with the Bank and act as the contact person. The proforma of the power of attorney shall be as per Annexure II. (ii) Each of the tender documents should be digitally signed by the authorised person submitting the tender in token of his/her acquainted himself/herself with the General Rules and Instructions to bidders including eligibility criteria, General and specific Conditions of Contract, and other terms and conditions etc. as laid down.
13.	Modification / Substitution/ Withdrawal of Bids
	No modification or substitution or withdrawal of the submitted Bid shall be allowed after the due date and time of submission of the tender as specified in NIT/SOT.

14.	Earnest Money Deposit
	NIL
15.	Bid Due Date
	Bids should be submitted online on CPPP https://etenders.gov.in/eprocure/app on or before the stipulated time and date as specified in NIT / Schedule of e-Tender. The Bank may, in exceptional circumstances, and at its sole discretion, extend the Bid due date.
16.	Late bids
	No bid will be accepted after the due date and time specified for submission of bids in NIT / Schedule of e-Tender or after the extended Bid due date, if any.
17.	Bid Validity
	Tender shall remain valid for acceptance by the Bank for a period of <u>three months (90 days)</u> from the date of opening of the tender (Part I), the period of which may be extended by mutual agreement, and the bidder/s shall not cancel or withdraw the tender during this period.
18.	Acceptance of Tender and Award of Work
	(i). On receipt of intimation from the Bank of the acceptance of the tender, the successful bidder shall be bound to implement the Contract and within fourteen days from the date of issue of work order thereof, the successful bidder shall sign the Contract consisting of: - a. Articles of agreement in format prescribed in Annexure IV (to be signed in Bilingual form) on non-judicial stamp paper/s of appropriate values in accordance with the Stamp laws in force in Delhi/ New Delhi. The cost of the stamp paper/s shall be borne by the Contractor. One certified copy of the agreement will be handed over to the Contractor by the Bank. b. the notice inviting tender, all the documents forming the tender as issued at the time of invitation of tender, corrigenda issued, if any, minutes of pre-bid meeting and acceptance thereof together with any other correspondences leading thereto. (ii). No payment for the work done will be made unless the Contract is signed by

	the successful bidder. Thus, the first bill shall not be accepted for making payment before signing of the Agreement in Format (to be signed in Bilingual form). Further, the written acceptance by the Bank of a tender will constitute a binding Contract between the Bank and the successful bidder, whether such formal agreement is or is not executed subsequently. (iii). The successful bidder shall take over the entire work within five days of notification of work or later as decided by the Bank.
19.	Time for Completion of Work Time allowed for carrying out the work is 90 days from the 14th day from the date of issue of the work order. If the Contractor fails to complete the work within the specified period, they/he shall be liable to pay liquidated damages at the rate of 0.25% of contract amount per week subject to a maximum of 10% of the contract amount for the entire work. The Contractor shall prepare a detailed work program (considering activity in bar chart), which shall be approved by the Bank's Engineer.
20.	Taxes / Duties / Levies i. Goods and service tax (GST), purchase tax, turnover tax, Excise duty or any other tax applicable in respect of this contract shall be payable by the Contractor and RBI will not entertain any claim whatsoever in respect of the same. ii. The amount quoted in the Price bid shall be inclusive of all taxes including Goods and Service Tax, duties, levies and royalties or any other tax levied by Central and State Governments.
21.	Bank's right to accept or reject any or all the bids i. Notwithstanding anything mentioned above, the Bank reserves the right to accept or reject any Bid at any time prior to award of Contract without thereby incurring any liability to the affected Bidder or Bidders. The Bank shall not assign any reason for rejection of any or all Bids. ii. The tenders which are not in consonance with the Central Minimum Wages Act and / or any other Labour laws will be treated as invalid.
22.	Land Border Clause -

	Compliance with the Rule 144(xi) of GFR 2017 inserted vide Office Memorandum (OM) F.No. 6/18/2019-PPD dated July 23, 2020, by Public Procurement Division, Department of Expenditure, Ministry of Finance, Government of India, the Public Procurement Orders issued in furtherance thereto, and their subsequent revision shall be mandatory. In this regard, bidder shall submit a copy of undertaking/Declaration/Certificate on their letterhead duly sealed and signed by the authorized signatory as per the format given in (Annexure V). If the Undertaking/Declaration/Certificate submitted by the bidder is found to be false, work order will be immediately terminated and legal action in accordance with law including forfeiting of Earnest Money Deposit/Security Deposit may be initiated and the Bank may also debar the bidder from participating in the tenders invited by the Bank in future.
23.	Retention Money / Security Deposit i. An amount of five per cent (5%) of the value of the work done will be deducted by the Bank from each payment to be made to the Contractor towards Retention Money. ii. Release of Retention Money: On completion of Defect Liability Period and after Rectification of the defects pointed out during the Defects Liability Period. iii. Authorized Signatory (With Name/Designation and Seal)

Section III (b) – Evaluation of Bids

(i) The bidder with the lowest price (L1) shall be considered for the Award of Contract.

(ii) In case the lowest tendered amount of two or more bidders is the same, then such lowest bidders may be asked to submit a revised offer quoting discount on their already quoted tendered amount in a sealed envelope. Further, if any such lowest bidder does not revise his/her bid on lower side, his/her original bid shall remain valid for further processing. The lowest tender shall be decided on the basis of revised offer. If the revised tendered amount of two or more bidders received in the revised offers is again found to be equal, then the firm with the highest annual turnover in FY2025-26 shall be considered for the award of contract.

(iii) The Bank is, however, not bound to accept the lowest or any tender and reserves the right to accept any tender either in full or in part.

--	---

	seven days, such shall be deemed to be Bank's Instructions within the scope of the Contract.
4.	Sufficiency of Tender
	The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in the Price bid, which rates and prices shall, except as otherwise provided, cover all his obligations under the Contract and all matters and things necessary for the proper completion and maintenance of the works.
5.	Liquidated Damages
	If the Contractor fails to maintain the required progress of work or to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the Bank on account of such breach, pay liquidated damages at the rate of 0.25% of contract amount per week subject to a maximum of 10% of the contract amount for the entire work. The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Bank.
6.	Variations to be approved by the Bank
	The Contractor shall get approval from the Bank before executing the quantity of variation item/s. The Contractor shall submit a statement of variations giving quantity and rates duly supported by analysis of rates, vouchers, etc. The Bank shall not be liable for payment of such variations until these statements are sanctioned by it.
7.	Authorities, Notices and Patents
	(i). The Contractor shall conform to the provisions of any Act of the legislature relating to the works and to the regulations and bye-laws of any authority, and of any water, electric supply and other companies and/or authorities with whose systems the structure is proposed to be connected, and shall, before making any variations from the drawings or Specifications that may be necessitated by so conforming, give to the Bank's Engineer written notice, specifying the variation proposed to be made and the reason for making it and apply for instruction thereon. In case the Contractor shall not within ten days

	receive such instructions, he shall proceed with the work conforming to the provisions, regulations, or by-laws in question. (ii). The Contractor shall bring to the attention of the Bank's Engineer all notices required by the said Acts, regulations or byelaws to be given to any authority and pay to such authority, or to any public office all fees that may be properly chargeable in respect of the works and lodge the receipts with the Bank's Engineer. (iii). The Contractor shall indemnify the Bank against all claims in respect of patent rights, and shall defend all action arising from such claims, and shall himself pay all royalties, license fees, damages, cost and charges of all and every sort that may be legally incurred in respect thereof.
8.	Setting out of Work
	The Contractor shall set out the works and shall be responsible for the correctness of the positions, levels, dimensions, and alignment of all parts thereof. If the Contractor fails in their role, any errors/ defects it shall be rectified at his own expense to the satisfaction of the Bank's Engineer.
9.	Materials & workmanship to conform to Specification.
	All materials and workmanship shall be of the respective kinds described in the Schedule of Quantities and/or Specifications and in accordance with the Bank's Engineer's instructions, and the Contractor shall upon the request of the Bank's Engineer furnish him with all invoices, accounts, receipts and other vouchers to prove that the materials comply therewith. The Contractor shall at his own cost arrange and carry out test of any materials as per the instructions of the Bank's Engineer through the reputed laboratory prior to use in the work.
10.	Dismissal of workmen
	The Contractor shall on the request of the Bank's Engineer immediately dismiss from the works any person employed thereon by him who may, in the opinion of the Bank's Engineer, be incompetent or misconduct himself and such persons shall not be again employed on the works without the permission of the Bank.
11.	Access to Work

	The Bank, the Bank's Engineer and their respective representatives shall at all reasonable times have free access to the work and/ or to the workshops, factories or other places where materials are lying or from which they are being obtained and the Contractor shall give every facility to the Bank, the Bank's Engineer and their representatives necessary for inspections and examination and test of the materials and workmanship. No person not authorized by the Bank or the Bank's Engineer except the representatives of public authorities shall be allowed on the works at any time.
12.	Assignment and Subletting
	The whole of the works included in the Contract shall be executed by the Contractor and the Contractor shall not directly or indirectly transfer, assign or under-let the Contract or any part / share thereof or any interest therein without the prior written consent of the Bank and no undertaking shall relieve the Contractor from the full and entire responsibility of the Contract or from active supervision of the works during their Contract.
13.	Identification of Deployed Staff
	The Contractor shall submit details such as names, parentage, residential address, age etc. along with recent photograph and an Officially Valid Document (OVD) like PAN, Aadhar Card, Driving License etc. of the persons deployed by him/her.
14.	Police Verification
	No staff shall be deployed by the Contractor without police verification. The antecedents of staff deployed shall be got verified by the Contractor from local police authority.
15.	Alterations, additions, omission etc.
	No alteration, omission or variation shall invalidate this Contract but in case the Bank's Engineer thinks proper at any time during the progress of the works to make any alterations in, or additions to, or omissions from, the works or any alteration in the kind or quality of the materials to be used therein and shall give notice thereof in writing to the Contractor. The Contractor shall alter, add to, or omit from, as the case may be, in accordance with such notice, but the Contractor shall not do any work extra or make any alterations or additions to

	or omissions from the works or any deviation from any of the provisions of the Contract, Stipulation, Specification or Contract Drawings without the previous consent in writing of the Bank's Engineer and the value of such extras, alterations, additions or omissions shall in all cases be determined by the Bank's Engineer with the prior approval in writing, and the same shall be added to or deducted from the Contract Amount, as the case may be. The Contractor should note that unless otherwise stated the tender is strictly on item rate basis and his attention is drawn to the fact that rates for each and every item should be correct, workable and self-supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the contract. However, during the actual execution of the work if the quantities exceeds by more than 25% of the tender quantities, the quantity of such items executed, by the authority of the Engineer of the project and with the concurrence of the Bank, in excess of 25% of the tender quantity shall be considered as extra item of work for which Contractor shall submit fresh rates supported by rate analysis worked on actual cost basis +15% towards the establishment charges, CPOH. The rates for all such items of work, being current ones, will not be eligible for price adjustment due to increase or decrease in prices or materials and labor rates as per escalation formula, if any, given in the tender. If any of the items of work is omitted from the accepted tender at the sole discretion of Bank, the Contractor shall not be entitled to any claim on this account. The Contractor has to prepare all required & working drawing /design as per specifications (Colour drawings in 2D & 3D) without any cost and for the same needs to take approval from the Bank before execution. Price adjustment for basic rate of material: Price adjustment will be made only on the actual quantity measured. The price adjustment will be made for the difference between the basic rate and the actual market / material purchase rate and 15% profit thereon in the rate quoted for respective item in the tender. Basic rate indicates cost of material at site excluding GST, transportation charges, sales tax, excise/custom duty, VAT, SAT, Octroi or any other tax and duty or other levy charged by the Central Government or State Government or local authority as applicable.
--	--

	Adjustment in rates in case of difference in Basic price of material If there is difference in Basic price of material, the quoted rates for item including fixing / installation / laying etc. of those items, will be adjusted as below- Revised rates = Rates quoted in the tender + (Actual basic rate of approved material – basic rates mentioned in the tender) X CPOH @ 15% Note: CPOH is the 15 % of the difference in basic prices of material. Necessary documents (purchase voucher/cash memo) for verification of the rates need to be supplied before commencement of work at site.
16.	Measurement of works
	The following procedure shall be adopted for taking & recording the Measurements of works: - The measurements shall be recorded by the Contractor, and a hard copy shall be submitted to the department. All entries shall be made exactly as per the extant procedure for recording conventional MBs/CMBs. - These measurements shall be then 100% checked by the junior Engineer/ AM (Tech). If Junior Engineer/ AM (Tech) is not available, the AM (Tech) Mgr.(Tech) shall perform 100% check of the measurements. The Contractor shall incorporate all such changes or corrections, as may be done during these checks, into his draft computerized measurements and submit to the department the corrected computerized measurement in the form of a book, duly hard bound with its page machine numbered. All the pages of this computerized MB shall have full signature with date of the authorized official of the Contractor and the official of the bank with name and designation. - The test checking of these computerized measurements shall be carried out by the concerned officials as per extant instructions. This book shall be treated as computerized Measurement Book. The concerned official shall record the necessary certificates for their checks and test checks as per the extant procedure in the computerized MB. It shall be the responsibility of the concerned officials to ensure that all the

	corrections have been incorporated in the computerized MB before they record their certificates. iv. All measurements shall be taken in accordance with the Mode of Measurements detailed in the IS 1200 if not specified in the contract. Should the Contractor not attend or neglect or omit to take the measurements then the measurements taken by the Bank's Engineer shall be taken to be correct measurements of the works.
17.	Prices for extra Items
	No claim for an extra item shall be allowed unless it shall have been executed by the authority of the Bank's Engineer's with the concurrence of the Bank as herein mentioned. Any such extra item is herein referred to as authorized extra item and shall be made in accordance with the following provisions. (i) The net rates or prices in the original tender shall determine the valuation of the extra work where such extra work is of similar character and executed under similar conditions as the work priced therein. (ii) Rates for all extra items, wherever possible, should be Derived out of the rates given in the Priced Schedule of Quantities. (iii) Where the extra works are not of similar character and/or executed under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items of works are carried out or if the amount of any omissions or additions relative to the amount of the whole of the contract works or to any part thereof shall be such that in the opinion of the Bank's Engineer the net rate of price contained in the Priced Schedule of Quantities or tender or for any item of the works involves loss or expense beyond that reasonably contemplated by the Contractor or is by reason of such omission or addition rendered unreasonable or inapplicable, the Bank's Engineer shall fix such other rate or price as in the circumstances it shall think reasonable and proper with the prior approval in writing of the Bank. (iv) Where extra work cannot be properly measured or valued, the Contractor shall be allowed to claim the same based on actual cost incurred on labor wages and material consumed. Contractor shall submit proper rate

	analysis, invoices, and proof of payment for the said claim which shall be verified by the Bank's Engineer. The measurement and valuation in respect of the contract shall be completed within the "Period of final measurements" stated in the Appendix or if not stated then within three months of the completion of the Contract works. (vi) It is further, clarified that for all such authorized extra items where rates cannot be derived from tender, the Contractor shall submit rates, supported by rate analysis worked on the "actual cost basis", plus 15% towards establishment charges, Contractor's overhead, and profit. Such items will not be eligible for escalation.
18.	Unfixed materials to be the property of the Bank
	Where in any Certificate (of which the Contractor has received payment), the Bank's Engineer has included the value of any unfixed materials intended for and /or placed on or adjacent to the works and such materials shall become the property of the Bank. They shall not be removed except for use upon the works, without the written authority of the Bank's Engineer. The Contractor shall be liable for any loss of or damage to such materials.
19.	Removal of improper works
	The Bank shall, during the progress of the works, have power to order in writing from time to time the removal of the works within such reasonable time or times as may be specified in the order, or any materials which in the opinion of the Bank's Engineer are not in accordance with the Specifications or the instructions of the Bank's Engineer, the substitution of proper materials, and the removal and proper re-execution of any work executed with materials or workmanship not in accordance with the Drawings and Specifications or instruction of the Engineer-In-Charge. The Contractor shall carry out such order at his own cost. In case of default on the part of the Contractor to carry out such order, the Bank shall have the power to employ and pay other persons to carry out the same; and all expenses consequent thereon, or incidental thereto, as certified by the Bank's Engineer shall be borne by the Contractor,

	or may be deducted by the Bank from any money due, or that may become due, to the Contractor.
20.	Certificate of virtual completion & defects liability period.
	The works shall not be considered as completed until the Bank's Engineer has certified in writing that they have been virtually completed. The Defects Liability Period shall be valid for 12 months from the date of Certificate of virtual completion.
21.	Defects after virtual completion of work
	Any defect or other faults which may appear within the "Defects Liability Period" stated in the Appendix hereto or, if none stated, then within twelve months after the virtual completion of the works, arising in the opinion of the Bank's Engineer from materials or workmanship not in accordance with the contract, shall upon the directions in writing of the Bank's Engineer and within such reasonable time as shall be specified therein, be amended and made good by the Contractor, at his own cost and in case of default the Bank may employ and pay other persons to amend and make good such defects, shrinkage, settlement or other faults, and all damages loss and expenses consequent thereon or incidental thereon or incidental there to shall be made good and borne by the Contractor and such damage, loss and expenses shall be recoverable from him by the Bank or may be deducted by the Bank from any money due or that may become due to the Contractor. The Contractor shall remain liable under the provisions of this Clause notwithstanding the signing of any Certificate or the passing of any accounts, by the Bank's Engineer.
22.	Other persons employed by the Bank
	The Bank reserves the right to use premises and any portions of the site for the execution of any work not included in this Contract which it may desire to have carried out by other persons and the Contractor shall allow all reasonable facilities for the execution of such work but shall not be required to provide any plant or material for the execution of such work except by special arrangement with the Bank. Such work shall be carried out in such manner as not to impede the progress of the works included in the Contract and the Contractor shall not

	be responsible for any damage or delay which may happen to or occasioned by such work.
23.	Insurance in respect to damages to persons and property (i). The Contractor shall be responsible for all injury or damage to persons, animals or things and for all damage to property which may arise from any factor omission on the part of the Contractor or any Sub-Contractor or any nominated Sub-contractor or any of their employees. The liability under this clause shall cover also any damages to structures, whether immediately adjacent to the works or otherwise; any damage to roads, streets, footpaths, bridges as well as damage caused to the buildings and other structures and works forming the subject matter of this contract. The Contractor shall also be responsible for any damage caused to the building and other structures and works forming the subject, matter of this contract due to rain, wind, frost or other inclemency of weather. The Contractor shall, indemnify and keep indemnified the Bank and hold the Bank harmless in respect of all and any loss and expenses arising from any such injury or damage to persons or property as aforesaid and also against any claim made in respect of injury or damage, whether under any statute or otherwise and also in respect of any award or compensation or damage consequent upon such claims. (ii). The Contractor shall, at his own expense, effect and maintain till issue of the virtual completion certificate under this contract, with an insurance company approved by the Bank, an All Risk Policy for Insurance for the full amount of the contract including earthquake risk in the joint names of the Bank and the Contractor (the name of the former being placed first in the policy) against all risk policy for Contractors and deposit such policy or policies with the Bank before commencing the works. (iii). The Contractor shall also indemnify and keep indemnified the Bank against all claims which may be made against the Bank by any person in respect of anything which any arise in respect of the works or in consequence thereof and shall at his own expense, effect and maintain until the virtual completion of the contract, with an Insurance Company approved by the Bank a policy of Insurance in the joint names of the Bank and the Contractor (name of the former being placed first in the policy) against such risk and deposit such policy

	or policies before commencement of the works. The minimum limit of the coverage under the policy shall be ₹5 lakh per person for any one accident or occurrence and ₹2 lakh in respect of damage to property for any one accident or occurrence subject to an overall ceiling of ₹25 lakh. The Contractor shall also indemnify the Bank against all claim which may be made upon the Bank, whether under the Workmen's Compensation Act or any other statute in force, during the currency of this contract or at Common Law in respect of any employee of the Contractor or of Sub-Contractor and shall at his own expense effect and maintain until the virtual completion of the contract or with an Insurance Company, approved by the Bank, a policy of insurance against such risks and deposit such policy or policies with the Bank from time to time during the currency of this contract. (iv) In case of default by the Contractor in providing the above insurance, the Bank may insure and may deduct the premiums paid from any moneys due or which may become due to the Contractor. The Contractor shall be responsible for any liability which may not be covered by the Insurance Policies referred to above and also for all other damages to any person, animal or defective carrying out of this contract, whatever may be the reasons due to which the damage shall have been caused. (v). The Contractor, in case of re-building or reinstatement after damage shall be entitled to such extension of time for completion as the Bank's Engineer may deem fit, but shall, however, not be entitled to reimbursement by the Bank of any shortfall or deficiency in the amount finally paid by the insurer in settlement of any claim arising as set out herein. (vi). The Contractor shall not permit a nominated sub-contractor to commence work at the site unless the said insurance policies are submitted. In the event of failure of the sub-contractor to take out such a policy of insurance before commencing the works at the site, the Contractor shall be responsible for any claim or damage attributable to the said sub-contractor. In the event of a Contractor's failure to obtain or renew insurance policies, the Bank will arrange for the insurance cover upon issuing a written notice to the Contractor, and the associated premium may be recovered from the dues payable to the Contractor.
--	---

24.	Delay and Extension of time
	If in the opinion of the Bank's Engineer, the works are delayed: (a) by force Majuro or (b) by reason of any exceptionally inclement weather or (c) by reason of proceeding taken or threatened by or dispute with adjoining or neighbouring owners or public authorities arising otherwise than through the Contractor's own default or (d) by the works of delays of other Contractors or Tradesmen engaged or nominated by the Bank or the Bank's Engineer and not referred to in the Schedule of Quantities and/or Specification or (e) by reason of Bank's Engineer's instructions or (f) by reason of civil commotion, local combination of workmen or strike or lockout affecting any of the building trades or (g) in consequences of the Contractor having not received in due time necessary instructions from the Bank's Engineer for which he specifically applied in writing or (h) from other causes which the Bank's Engineer may certify as beyond the control of Contractor or in the event the value of work exceeds the value of the priced scheduled of quantities owing to variation, the Bank's Engineer may with previous approval in writing of the Bank make a fair and reasonable extension of time for completion of the Contractor Works; in case of such strike or lockout the Contractor shall nevertheless constantly use his endeavours to prevent delay and shall do all that may reasonably be required to the satisfaction of the Bank's Engineer to proceed with work. The Contractor fails to complete the work within stipulated timelines then he is solely responsible for obtaining extension of for the work and to comply all the statutory compliances, like extension of all insurance policies etc.

Then and in any of the said cases the Bank may, notwithstanding any previous waiver, after giving seven days' notice in writing to the Contractor, terminate the
--	--

	Contract, but without thereby affecting the powers of the Bank's Engineer or the obligations and liabilities of the Contractor, the whole of which shall continue in force as fully as if the Contract had not been so terminated, and as if the works subsequently executed had been executed by or on behalf of the Contractor. And further, the Bank by his agents or servants may enter upon and take possession of the works and all plant, tools, scaffolding, sheds, machinery steam and other power utensils and materials lying upon the premises or the adjoining lands or roads, and use the same as its own property or may employ the same by means of his own servants and workmen in carrying on and completing the works or by employing any other Contractor or other person or persons to complete the works, and the Contractor shall not in any way interrupt or do any act, matter or thing to prevent or hinder such other Contractor or other person or persons employed for completing and finishing of using the materials and plant for the works. When the works shall be completed or as soon thereafter as convenient the Bank's Engineer shall give a notice in writing to the Contractor to remove his surplus materials and plant, and should the Contractor fail to do so within a period of fourteen days after receipt thereof by him, the Bank may sell the same by public auction, and give credit to the Contractor for the net amount realized. The Bank's Engineer shall thereafter ascertain and certify in writing under his hand what (if anything) shall be due or payable to or by the Bank, for the value of the said plant and materials so taken possession of by the Bank and the expense or loss which the Bank shall have been put to in procuring the works to be completed and the amount, if any, owing to the Contractor and the amount which shall be so certified shall thereupon be paid by the Bank to the Contractor or by the Contractor to the Bank, as the case may be, and the Certificate of the Bank's Engineer shall be final and conclusive between the parties.
26.	Termination of Contracts by Contractor
	If the payment of the amount payable by the Bank under Certificate of the Bank's Engineer shall be in arrears and unpaid for thirty days after notice in writing requiring payment of the amount as aforesaid shall have been given by the Contractor to the Bank, or if the Bank interferes with or obstructs the issue of any such Certificate, or if the Bank shall repudiate the Contractor, or if the

	works be stopped for three months under the order of the Bank's Engineer or the Bank or by any injunction or other order of any Court of Law, then and in any of the said cases the Contractor shall be at Liberty to terminate the Contract by notice in writing to the Bank through the Bank's Engineer, and he shall be entitled to recover from the Bank, payment for all works executed and for any loss he may sustain upon any plant or materials supplied or purchased or prepared for the purpose of the Contract. In arriving at the amount of such payment the net rates contained in the Contractor's original Tender shall be followed.
27.	Certificates and payments
	a) When the works have been virtually completed and the Bank's Engineer shall have certified in writing that they have been completed, the Contractor shall be paid by the Bank in accordance with the Certificate to be issued by the Bank's Engineer the sum of money named in the Appendix as "Installment after Virtual Completion". And the Contractor shall be entitled to the payment of the Final Balance in accordance with the Final Certificate to be issued in writing by the Bank's Engineer at the expiration of the period referred to as " the Defect Liability Period" in the Appendix hereto from the date of Virtual Completion or as soon as after the expiration of such period as the works shall have been finally completed and all defect made good according to the true intent and meaning hereof whichever shall last happen, provided that any Certificate issued by the Bank's Engineer during the progress of the works or at or after their completion shall not relieve the contractor from his liability and not relieve the contractor of his inability in cases of fraud, dishonesty, or fraudulent concealment relating of the works or material or to any matter dealt with in the Certificate, and in case of all defects and insufficiencies in the works or materials which a reasonable examination would not have disclosed. No certificate of the Bank's Engineer shall in itself be conclusive evidence that any works or materials to which it relates are in accordance with the Contract neither will the Contractor have a claim for any amounts which the Bank's Engineer might have certified in any interim bill and paid by the Bank

	and which might subsequently be discovered as not payable and in this respect the Bank's decision shall be final and binding. b) The Contractor has to submit along with his final bill, a statement showing the details of all the building materials procured by him up to the date of the bill for verification of the same before settlement of such bills by the Bank. c) The Bank's Engineer shall have power to withhold any Certificate if the works or any parts thereof are not being carried out to his satisfaction. d) The Bank's Engineer may make any correction in any previous Certificate which shall have been issued by him. e) No certificate of payment shall be issued by the Bank's Engineer if the Contractor fails to insure the works and keep them insured till the issue of the Virtual Completion Certificate. Payment upon the Bank's Engineer's Certificate shall be made within a period of 45 days.
28.	Right of Technical Scrutiny of Final Bill
	The Bank shall have a right to cause a technical examination of the works by any of the persons or organization as appointed by the Bank and the final bill of the Contractor including all supporting vouchers, abstracts, etc. If as a result of these examinations or otherwise any sum is found to have been overpaid or over certified it shall be lawful for the Bank to recover the sum from any payment due to the Contractor for this works or any other works being carried out by the contractors elsewhere for the Reserve Bank of India.
29.	Recovery of Compensation paid to Workmen
	In every case in which by virtue of the provisions of the Workmen's Compensation Act, 1923, or any statutory modification or re-enactment thereof, the Bank is obliged to pay compensation to a workman employed by the Contractor, in execution of the works, the Bank shall be entitled to recover from the Contractor, the amount of the compensation so paid; and, without prejudice to the rights of the Employer under the provisions of the said Act. The Bank shall be at liberty to recover such amount or any part thereof by deducting it from the security deposit or from any sum due by the Bank to the Contractor

	whether under this contract or otherwise. The Bank shall not be bound to contest any claim made against it under the provisions of the said Act, except on the written request of the Contractor and upon his giving to the Bank full security for all costs for which the Bank might become liable in consequence of contesting such claim.
30.	Termination of Contract in case of death of Contractor
	Without prejudice to any of the rights or remedies under this contract, if the Contractor, being an individual/sole proprietor, dies, the Bank shall have the option of terminating the contract without any liability for such termination and compensation to the Contractor.
31.	All relevant Statutory Laws to be complied by the Contractor

Reserve Bank of India

New Delhi

Dear Sir/Madam,

E-Tender for Replacement of distressed RCC chajjas with modular FRP chajjas at RBI Colony, Shalimar Bagh – **Performance Bank Guarantee**

WHEREAS

Reserve Bank of India, having its Central Office at Shahid Bhagat Singh Road, Mumbai, through its office at Reserve Bank of India, 6, Sansad Marg, New Delhi (hereinafter called "the RBI") has awarded the Contract for the captioned work (hereinafter called the "Contract") to M/s _____ (Name of the Contractor) (hereinafter called "the said Contractor" which expression shall include its successors and assigns).

AND Whereas the Contractor is bound by the said Contract to submit to the RBI a Performance Bank Guarantee for a total amount of ₹_____ (Rupees_____ only) (Amount in figures and words) for the due fulfilment by the said Contractor of the terms and conditions contained in the Contract.

We, _____ (Name of the Bank), (hereinafter called "the Bank"), at the request of M/s _____, the Contractor, do hereby undertake to pay to the RBI an

amount not exceeding ₹_____ as Performance Bank Guarantee for due fulfilment of the terms and conditions of the Contract.

NOW THIS GUARANTEE WITNESSETH

1. We_____ (Name of the Bank) do hereby agree with and undertake to the RBI, their Successors, Assigns that in the event of the RBI coming to the conclusion that the Contractor has not performed his/her obligations under the said conditions of the Contract or have committed a breach thereof, which conclusion shall be binding on us as well as the said Contractor; we shall on demand by the RBI, pay without demur to the RBI, a sum of ₹_____ (Rupees_____ only) or any lower amount that may be demanded by the RBI. Our guarantee shall be treated as equivalent to the Performance Bank Guarantee Amount for the due performance of the obligations of the Contractor under the said Contract, provided, however, that our liability against such sum shall not exceed the sum of ₹_____ (Rupees_____ only).

2. We also agree to undertake to and confirm that the sum not exceeding ₹_____ (Rupees_____ only) as aforesaid shall be paid by us without any demur or protest, merely on demand from the RBI on receipt of a notice in writing stating that the amount is due to them and we shall not ask for any further proof or evidence and the notice from the RBI shall be conclusive and binding on us and shall not be questioned by us in any respect or manner whatsoever. The Bank shall pay to the RBI any money so demanded notwithstanding any dispute/disputes raised by the Contractor in any suit or proceedings pending before any Court, Tribunal or Arbitrator/s relating thereto and the liability under this guarantee shall be absolute and unequivocal. We undertake to pay the amount claimed by the RBI within a period of one week from the date of receipt of the notice as aforesaid.

3. We confirm that our obligation to the RBI under this guarantee shall be independent of the agreement or agreements or other understandings between the RBI and the Contractor.

4. This guarantee shall not be revoked by us without prior consent in writing of the RBI.
We hereby further agree that –

a) Any forbearance or commission on the part of the RBI in enforcing the conditions of the said agreement or in compliance with any of the terms and conditions stipulated in the said Contract and/or hereunder or granting of any time or showing of any indulgence by the RBI to the Contractor or any other matters in connection therewith shall not discharge us in any way and our obligation under this guarantee. This guarantee shall be discharged only by the performance by the Contractor of their obligations and in the event of their failure to do so, by payment by us of the sum not exceeding ₹. _____ (Rupees _____ only).

b) Our liability under these presents shall not exceed the sum of ₹. _____ (Rupees _____ only) .

c) Our liability under this agreement shall not be affected by any infirmity or irregularity on the part of our said constituents/clients or their obligations thereunder or by dissolution or change in the constitution of our said constituents.

d) This guarantee shall remain in force upto _____ (90 days beyond the expiry of the Contract) provided that if so desired by the RBI, this guarantee shall be renewed for a further period as may be indicated by them on the same terms and conditions as contained herein.

e) Our liability under these presents will terminate unless these presents are renewed as provided hereinabove on the _____ or on the day when our said constituents comply with their obligations, as to which a certificate in writing by the RBI alone is the conclusive proof whichever date is later. Unless a claim or suit or action is filed against us within six months from expiry date of the Bank Guarantee or any extended period, all the rights of the RBI against us under this guarantee shall be forfeited and we shall be released and discharged from all our obligations and liabilities hereunder.

In witness whereof I/We of the Bank have signed and sealed this guarantee on the ----- -- day of ----- (Month) (Year) being herewith duly authorized.
