**Annexure-1**  
**Important instructions for e-procurement of MSTC Portal**

This is an e-procurement event of RBI. The e- procurement Service Provider/Contractor is the MSTC Limited.

You are requested to read and understand the Notice Inviting Tender and subsequent corrigenda if any, before submitting your online tender.

Process of E-tender:

**A) Registration:** The process involves vendor's registration with MSTC e-procurement portal which is free of cost. Only after registration, the vendor(s) can submit his/their bids electronically. Electronic Bidding for submission of Techno-Commercial Bid as well as Price Bid over the internet will be done. The Vendor should possess Class III signing and encryption type digital certificate. Vendors are to make their own arrangement for bidding from a P.C. connected with Internet. RBI is not responsible for making such arrangement. (Bids will not be recorded without Digital Signature).

**SPECIAL NOTE: THE PRICE BID AND THE COMMERCIAL BID HAS TO BE**

**SUBMITTED ON-LINE ONLY AT [www.mstcecommerce.com/eprocn/](http://www.mstcecommerce.com/eprocn/) (Version 3 )**

1) Vendors are required to register themselves online with

[www.mstcecommerce.com/eprocn](http://www.mstcecommerce.com/eprocn)

Register as Vendor -- Filling up details and creating own user id and password Submit. For further details, go to Download Guide / Video / Registration

Vendors will receive a system generated mail confirming their registration in their email which has been provided during filling the registration form. In case of any clarification, please contact RBI/MSTC, (before the scheduled time of the e- tender).

### **1 System Requirement:**

For details, vendor may refer to the **DOWNLOAD SYSTEM SETTING GUIDE** available <https://www.mstcecommerce.com/eprocn/>

**2 Special Note towards Transaction fee:** The vendors shall pay the transaction fee using “Transaction Fee Payment” Link against the specific tender in the “Bid Floor”/through the “Pay Transaction fee” in “Event catalog” through their login. Service Provider / Contractor / Vendor shall have the facility of making the payment either through NEFT or Online Payment. On selecting NEFT, Service Provider / Contractor / Vendor shall generate a challan by filling up a form. Service Provider / Contractor / Vendor shall remit the transaction fee amount as per the details printed on the challan without making change in the same. On selecting Online Payment, Service Provider / Contractor / Vendor shall have the provision of making payment using its Credit / Debit Card / Net Banking. Once the

payment gets credited to MSTC's designated bank account, the transaction fee shall be auto authorized.

**Transaction fee is non-refundable.** A vendor will not have the access to online e-tender without payment of the transaction fee.

**NOTE:** Bidders are advised to remit the transaction fee well in advance before the closing time of the event so as to give themselves sufficient time to submit the bid.

**3** Information about tenders / corrigenda shall be sent by email only during the process till finalization of tender. Hence the vendors are required to ensure that their corporate email I.D. provided is valid and updated at the time of registration of vendor with the MSTC Ltd. Vendors are also requested to ensure validity of their class III signing and encryption type of DSC (Digital Signature Certificate).

**4** E-tender cannot be accessed after the due date and time mentioned in NIT (Notice inviting tender).

#### **5. Bidding in E-tender:**

Note: Vendors are instructed to use **Upload Documents** link in My menu to upload documents in document library. Multiple documents can be uploaded. Maximum size of single document for upload is 5 MB.

Once documents are uploaded in the library, vendors can attach documents through **Attach Document** link against the particular e-Tender. Please note that if the documents are not attached to any e-Tender, the same cannot be downloaded by RBI and it will be deemed that the vendor has not submitted the documents. For further assistance please follow instructions of vendor guide.

- a) Bidder(s) need to submit necessary EMD, E-Tender fees (If ANY) and Transaction fee separately for the e-tender. Transaction fees if any are non-refundable. No interest will be paid on EMD. EMD of the unsuccessful bidder(s) will be refunded by RBI.
- b) The process involves Electronic Bidding for submission of Techno Commercial Bid as well as Price Bid.

The bidder(s) who have submitted the above fees can only submit their Techno Commercial Bids and Price Bid through internet in MSTC website [www.mstcecommerce.com](http://www.mstcecommerce.com) → e-procurement → New Common Portal → Bid Floor Manager → live event → Selection of the live event → Transaction fee → Common terms → Attach Documents → Price Bid.

Please Note: The vendor after successful remittance of the transaction fees and EMD details,

will get the attach documents and common terms tab enabled in their login. Post successful completion of this step, the vendors will be allowed to save the lot specific terms and submit their price bid against the lot through the portal or download and upload the excel file for submitting price bids, as the case may be. In case the attach documents and/or saving common terms step is unsuccessful, the tabs for saving lot specific terms and submitting price bid would be disabled. The status of whether the same is successful/pending would be displayed in the bid status button.

- c) First the vendor needs to fill up the Commercial specification if any and save it. Then the vendor should fill up the Techno-commercial bid. After filling the Techno-Commercial Bid, bidder should click 'save' for recording their Techno-Commercial bid. Once the same is done, the Price Bid link becomes active and the same has to filled up and then bidder should click on "save" to record their price bid. Then once both the Techno-Commercial bid & price bid has been saved, the bidder can click on the "Final Submission" button to register their bid

**NOTE:** - After clicking the final submission "Delete bid" option would be shown. If the vendor wants to delete the bid after final submission and re submit the bid, then he/she should click delete bid and resubmit the same and again click final submission.

- d) In all cases, bidder should use their own ID and Password along with Digital Signature at the time of submission of their bid.
- e) During the entire e-tender process, the bidders will remain completely anonymous to one another and also to everybody else.
- f) The e-tender floor shall remain open from the pre-announced date & time and for as much duration as mentioned above.
- g) All electronic bids submitted during the e-tender process shall be legally binding on the bidder. Any bid will be considered as the valid bid offered by that bidder and acceptance of the same by the Buyer will form a binding contract between Buyer and the Bidder for execution of supply/work. Such successful tenderer shall be called hereafter **SUPPLIER/CONTRACTOR**.
- h) It is mandatory that all the bids are submitted with class III signing and encryption type of digital signature certificate otherwise the same will not be accepted by the system.
- i) Buyer reserves the right to cancel or reject or accept or withdraw or extend the tender in full or part as the case may be without assigning any reason thereof.
- j) No deviation of the terms and conditions of the e-Tender document is acceptable. Submission of bid in the e-tender floor by any bidder confirms his acceptance of terms & conditions for the e-Tender.

- k) Unit of Measure (UOM) is indicated in the e-tender Floor. Rate to be quoted should be in Indian Rupee as per UOM indicated in the e-tender floor/tender document.

**Articles of Agreement**

ARTICLES OF AGREEMENT made the \_\_\_\_\_ day of \_\_\_\_\_ between the Reserve Bank of India having its Central Office at Mumbai 400 001 (hereinafter called "the Employer") of the one part and \_\_\_\_\_ (hereinafter called "the Contractor") of the other part.

WHEREAS the Employer is desirous of Supply, Installation, Testing and Commissioning of X-Ray Baggage Inspection System (XBIS) at Bank's office complex at Sector 24, Naya Raipur, Chhattisgarh-492018 and has caused drawings and specifications describing the work to be done. AND WHEREAS the said specifications, and the schedule of quantities have been signed by or on behalf of the parties hereto.

AND WHEREAS the Contractor has agreed to execute upon the subject work to the conditions set forth herein and to the conditions set forth in the special conditions and in the schedule of quantities and conditions of Contract as modified and finally accepted by both the parties (all of which are collectively hereinafter referred to as "the said Conditions") the works shown upon the said drawings and/or described in the said Specifications and included in the Schedule of quantities at the respective rates therein set forth, amounting to the sum as therein arrived at or such other sum as shall become payable there under (hereinafter referred to as, the said Contract Amount").

**NOW IT IS HEREBY AGREED AS FOLLOWS**

1. In consideration of the said Contract Amount to be paid at the times and in the manner set forth in the said Conditions, the Contractor shall upon and subject to the said Conditions, execute and complete the work described in the said Specifications and the Schedule of Quantities.
2. The Employer shall pay the Contractor the said Contract Amount, or such other sum as shall become payable, at the times and in the manner specified in the said Conditions.
3. In the said conditions hereinbefore mentioned, the DGM (Tech.) , shall act on behalf of the Employer.
4. The said Conditions, and Appendix thereto shall be read and construed as forming part of this Agreement, and the parties hereto shall respectively abide by, submit themselves to the said Conditions and perform the agreements on their part respectively in the said Conditions contained.
5. The agreement and documents mentioned herein shall form the basis of this contract.
6. The Contract is neither a fixed lump sum Contract nor a Piece Work Contract but is a Contract to carry out the complete work amounting to Rs.----- inclusive of GST amount to be paid for according to actual measured quantities at the rates contained in the Schedule of work and Probable quantities or as provided in the said Conditions.
7. The Contractor shall make good any damages done to walls, floors etc. after the completion of such works.
8. The Employer reserves to itself the right of altering the nature of the work by adding to or omitting any items of work or having portions of the same carried out without prejudice to this contract.
9. Time shall be considered as the essence of the contract and the Contractor hereby agrees to commence the work from tenth day after the date of issue of formal works order as provided for

in the said conditions and to complete the entire work within 90 days subject nevertheless to the provisions for extensions of time.

10. All payments by the Employer under this contract will be made only at Raipur.

11. All disputes arising out of or in any way connected with this agreement shall be deemed to have arisen at Raipur and only Courts at Raipur shall have jurisdiction to determine the same.

12. That the several parts of this Contract have been read by the Contractor and fully understood by the Contractor.

iv) The comprehensive Maintenance contract includes, but is not limited to, procurement, including import, and replacement of all components and accessories wherever required, and repair/ replacement of all faulty mechanical/ electrical/ electronic parts of XBIS and any other component needed to ensure the working of system in the original state in which it is handed over to the Bank.

v) Spares and consumables are to be used of manufacturers make or approved makes only and shall be approved by Bank's Engineer before usage. Non-availability of spares/ components shall not be accepted as a reason for waiving of penalty towards delay in rendering prompt services. The contractor shall, therefore, also ensure that the required spares etc. for proper Maintenance are readily available with them for complete life span of the system.

(c) The charges for comprehensive annual maintenance service shall include replacement of any part of the system, including all required spares, consumables, upgradation of software, etc. during service contract period. Any defects in the system/sub-assemblies, found within the maintenance period, shall be rectified / replaced by the Tenderer without any additional cost to the Bank

**(d) Penalty for delay in rectification during CAMC:**

During the comprehensive annual maintenance service period (after DLP period), any fault in the system shall be rectified as per timeline mentioned above on receipt of intimation of the defect in the system. The quoted rates shall, therefore, take into account all the cost, including travel cost from the nearest service station. The penalty for delay in rectification during CAMC is similar to the penalties during DLP as given below. Any penalty during the CAMC shall be recovered from any dues payable to the contractor or invoke from the bank guarantee.

	Condition	Rectification time	Penalty
(a)	Any defects resulting in total failure of the system	24 hours	Rs.500/- per day
(b)	Any defects in independent devices, components, cables which may not result in total failure of the system	48 hours	Rs.250/- per day
<b>Note:</b> Penalty subject to maximum of 25% of the annual maintenance charges, if the defect in the system is not rectified within the time as stated above. In addition to this, if the system is not rectified within the period of 3 days, the Bank shall have right to rectify the system at risk and cost of the contractor. The Bank shall have also right to invoke the BG as a penalty for delay in rectifying the system and terminate the contract, if service rendered by the contractor is found to be unsatisfactory.			

#### **(e) Payment for Comprehensive Annual Maintenance Contract (CAMC):**

The payment during the CAMS period shall be made on half yearly basis on rendering satisfactory service. The service contract shall be renewed for an additional period of at least 6 (six) years after the initial CAMC period of 1 (one) year. In other words, an assured life and service support will be provided for a total of 8 years (including one-year DLP) period after commissioning and handing over of the system for use. At the time of renewal of contract after the expiry of the initial validity period of one years and for all subsequent years, the new contract amount will be arrived at based on following formula.

$AC = AP [(15+60x(EPIC/EPIP)+25x(CPIC/CPIP))] \times (1/100)$	
AC	The contract amount for the current year.
AP	The contract amount for the previous year.

### **3.20 Sufficiency of Schedule of Quantities: -**

3.20.1 The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the prices stated in the Schedule of Quantities and/or the Schedule of Rates and Prices which rates and prices shall cover all his obligations under the Contract, and all matters and things necessary for the proper completion of the works.

3.20.2 The quantities in the schedule of quantities approximately indicate the total extent of work, however, it may vary to any extent and even be omitted thus altering the aggregate value of the contract.

### **3.21 Language**

The Tender including all labels in drawings, documents, catalogues etc. shall be in English

### **3.22 Right to Accept Part Tender**

The Bank reserves the right to accept the tender either in whole or in part at the same prices quoted by the Tenderer.

### **3.23 Evaluation of e-Tender**

Tenders will not only be evaluated on the basis of capital cost but also taking into account the rates quoted for Comprehensive Annual Maintenance Contract (CAMC) for a period of 7 years after expiry of guarantee / defect liability period of one year. Tenders will, therefore, be evaluated based on the total cost of ownership (TCO) for 8 years which will be arrived at as under.

Total cost of ownership (TCO) = Net Capital Cost (i.e. Cost of new equipment) + NPV factor for CAMC X Charges for CAMC per annum.

i.e., Total cost of ownership = Net Capital cost i.e. Cost of new equipment + 5.6321 X quoted per annum cost for CAMC.

For calculating the NPV of Comprehensive Annual Maintenance Contract the following factors will be applied:

(a)	Escalation	5% per annum
(b)	Discount factor	8% per annum
(c)	Period of CAMSC	7 years (after one-year DLP)
(d)	Payment terms of CAMC	Half yearly payment after satisfactory completion of service.

**Minimum Base Rate for Comprehensive AMC:**

In case, the tenderer quotes the rates for comprehensive AMC lower than 5% (Five) of the quoted capital Cost, then 5% (Five) of the quoted capital cost shall be considered for Calculation of Total Cost of Ownership (TCO).

**Note: Notwithstanding the above, the Bank shall pay only the quoted rate of the Comprehensive AMC during the currency of the committed contract period of 7 years subject to only escalation formulae indicated in the tender.**

**3.24 Import License**

Import License if required will be obtained by the Tenderer. All necessary documents/fees required to be submitted/paid to the relevant authorities, for obtaining the import license shall be the sole responsibility of the tenderer.

**3.25 Adherence to Specifications**

The Contractor shall carry out all the work strictly in accordance with the detailed specifications and instructions of the Bank's engineer. If in the opinion of the Bank's engineer nominal changes have to be made to suit the site condition and with the prior approval in writing of the Employer, the Contractor shall carry out the same without any extra charge.

**3.26 Acquaintance with the site of work**

The tenderer must obtain for himself on his own responsibility and at his own expense, all the information which may be necessary for the purpose of making a tender and for entering into a contract and must examine, inspect the site of the work, and acquaint himself with all local conditions, means of access to the work, nature of the work and all matters appertaining thereto. The Employer's decision in such cases shall be final and shall not be open to arbitration.

**3.27 Schedule of quantities**

A Schedule of Probable Quantities in respect of each work and Specifications accompany these Special Conditions. The Schedule of Probable Quantities is liable to alteration by omissions, deductions or additions at the discretion of the Employer. Each tender should contain not only the rates but also the value of each item of work entered in a separate column and all the items should be totaled in order to show the aggregate value of the entire tender.

**3.28 Not entitled for any compensation**

The contractor shall not be entitled to any compensation for any loss suffered by him on account of delays in commencing or executing the work, whatever the cause of delays may be, including delays arising out of modifications to the work entrusted to him or in any sub-contract connected therewith or delays in awarding contracts for other trades of the project or in commencement or completion of such works. The Employer does not accept liability for any sum besides the tender amount, subject to such variations as are provided for herein.

**3.29 Bound to carry all items of the work**

The successful tenderer is bound to carry out all items of work necessary for completion of the job even though such items are not included in the quantities and

rates. Schedule of instruction in respect of such additional items and their quantities will be issued in writing by the Bank.

**3.30 Application of Minimum wages/ gratuity/ Contract Labour Act to the workmen:-** The contractor shall ensure that minimum wages/ gratuity as per statutory requirement are paid to all the workmen.

**3.31 Labour License:-** The contractor shall adhere to various provisions of the Contract Labour (Regulation & Abolition) Act 1970, if applicable under the said contract, and fulfil all the statutory requirements.

**3.32** The successful Tenderer must co-operate with the other contractors appointed by the Bank so that the work shall proceed smoothly with the least possible delay.

**3.33 Provision of Rule 144(Xi) of the GFR 2017:**

Compliance with the Rule 144(xi) of GFR 2017 inserted vide Office Memorandum (OM) F. No. 6/18/2019-PPD dated July 23, 2020 issued by Public Procurement Division, Department of Expenditure, Ministry of Finance, Government of India, the public procurement orders issued in furtherance thereto, and their subsequent revision shall be mandatory.

In this regard, Bidder shall submit a copy of Undertaking / Declaration / Certificate on their letter head duly sealed and signed by the authorized signatory in the format given in Annexure-L.

If this Undertaking / Declaration / Certificate submitted by the bidder is found to be false, his/her its tender / work order will be immediately terminated, and any legal action in accordance with law including forfeiting of Earnest Money Deposit / Performance Bank Guarantee / Security Deposit may be initiated and the Bank may also debar the bidder from participating in the tenders invited by the Bank in future.

The contractor shall, also during the whole time the works are in progress employ a competent representative who shall be constantly in attendance at the works while the men are to work. Any directions, explanations, instructions or notice given by the Bank's Engineer to such representative shall be held to be given to the Contractor.

**9. Dismissal of workmen:** The Contractor shall on the request of the Bank's Engineer immediately dismiss from the works any person employed thereon by him who may, in the opinion of the Bank's Engineer, be incompetent or misconduct himself and such persons shall not be again employed on the works without the permission of the Bank's Engineer.

**10. Access to works:** The Employer, shall at all reasonable times, have free access to

the works and/or to the workshops, factories or other places where materials are lying or from which they are being obtained and the Contractor shall give every facility to the Employer necessary for Inspections and examination and test of the materials and workmanship. No person not authorized by the Employer except the representatives of public authorities shall be allowed on the works at any time.

**11. Bank's Engineer:** The term Bank's Engineer shall mean the person appointed and paid by the Employer to inspect the works. The Contractor shall afford the Bank's Engineer every facility and assistance for inspecting the works and materials and for checking and measuring time and materials.

The Bank's Engineer, or the Employer shall have power to give notice to the Contractor or to his representative of non-approval or any work or materials and such work shall be suspended, or the use of such materials shall be discontinued. The work will from time to time be examined by the Assistant Manager (Tech.) but such examination shall not in any way exonerate the Contractor from the obligation to remedy any defects which may be found to exist at a stage of the works or after the same is completed. Subject to the limitations of this clause the Contractor shall take instructions only from the Bank's Engineer.

**12. Assignment and Subletting:** The whole of the works included in the Contract shall be executed by the Contractor and the contractor shall not directly or indirectly transfer, assign or under-let the Contract or any part share thereof or any interest therein without the prior written consent of the Employer and not undertaking shall relieve the Contractor from the full and entire responsibility of the Contract or from active superintendence of the works during their progress.

**13.** No alteration, omission or variation shall vitiate this contract but in case the Bank's Engineer thinks proper at any time during the progress of the works to make any alterations in, or addition to, or omissions from the works or any alteration in the kind of quality of the materials to be used therein and shall give notice thereof in writing under his hand to the Contractor, the Contractor shall alter, add to, or omit from, as the case may be, in accordance with such notice, but the contractor shall not do any work extra to or make any alterations or additions to or omissions from the works or any deviation from any of the provisions of the Contract. Stipulations, specifications or Contract Drawings without the previous consent in writing of the Employer and the value of such extra's alterations, additions or omission shall, in all cases, be determined by the Employer in accordance with the provisions of Clause 17 hereof, and the same shall be added to, or deducted from the Contract Amount, as the case may be accordingly.

**14. Schedule of Quantities:** The Schedule of quantities, unless otherwise stated shall be deemed to have been prepared in accordance with the Standard Method of Measurement.

Any error in description or in quantity or in omission of items from the schedule of quantities shall not vitiate this contract but shall be rectified and the value thereof, as ascertained under Clause 17 hereof, shall be added to, or deducted from the Contract Amount (as the case may be) provided that no rectification of errors, if any, shall be allowed in the Contractor's schedule of rates.

**15. Sufficiency of Schedule of Quantities:** The Contractor shall be deemed to have

satisfied himself before tendering as to the correctness and sufficiency of his e- Tender for the works and of the prices stated in the Schedule of Quantities and/or the schedule of rates and prices which rates and prices shall cover all his obligations under the contract, and all matters and things necessary for the proper completion of the works.

**16. Measurement of works:** The Bank's Engineer may, from time to time, intimate to the contractor that he requires the works to be measured, and the Contractor shall forthwith attend or send a qualified agent to assist Assistant Engineer in taking such measurements and calculations and to furnish all particulars or to give all assistance required by any of them.

Should the Contractor not attend or neglect or omit to send such agent then the measurement taken by the Bank's Engineer, or a person approved by him shall be taken to be correct measurement of the works. Such measurements shall be taken in accordance with the Mode of Measurements detailed in the Specifications.

The Contractor or his Agent may at the time of measurement take such notes and measurement as he may require. All authorized extra works, omissions and all variations made with the prior approval in writing of Employer shall be included in such measurements.

**17. Prices for extra:** The Contractor may, when authorized and shall, when directed, in writing by the Employer, add to, omit from or vary the works shown upon the drawings, or described in the specification, or included in the schedule of Quantities, but the contractor shall make no addition, omission or variation without such authorization or direction. A verbal authority or direction by the Bank's Engineer shall, if confirmed by them in writing within seven days, be deemed to have been given in writing.

No claim for an extra shall be allowed unless it shall have been executed under provisions of clause above hereof with the concurrence of the Employer herein mentioned. Any such extra in herein referred to as authorized and shall be made in accordance with the following provisions.

(a) (i) The net rates or prices in the original tender shall determine the valuation of the extra work where such extra work in similar character and executed under conditions as the work priced therein.

(ii) Rates for all items, wherever possible should be derived out of the rates given in the priced Schedule of Quantities.

(b) The net prices of the original tender shall determine the value of items omitted provided if omissions vary the conditions under which any remain ing items of works are carried out, the prices for the same shall be valued under sub-clause(c) hereof.

(c) Where the extra works are not of similar character and/or quoted under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items of works are carried out or if the amount of any omissions or additions relative the amount of the whole of the Contract works or to any part thereof shall be such that in the opinion of the Bank's engineer, the net rate or price contained in the priced Schedule of Quantities or tender or for any item of the works involves loss or expenses beyond that reasonably contemplated by the contractor or is by reason of such omission or addition rendered unreasonable or inapplicable, the Bank's Engineer shall fix such other rate or price as in the circumstances he shall think reasonable and proper, with the prior approval in writing of the Employer.

(d) Where extra work cannot be properly measured or valued, the Contractor shall be allowed day work prices as the net rates stated in the tender or the Priced Schedule or Quantities or, if not so stated, then in accordance with the local day work rates and wages for the district provided that in either case vouchers specifying the daily time (the workmen's names) and materials employed be delivered for verification to the Bank's Engineer at or before the end of the week following that in which the work has been executed plus 15% towards establishment charges, contractor's overhead and profits.

The measurement and valuation in respect of the Contract shall be completed within the "period of final measurements" stated in the Appendix or if not stated then within six months of the completion of the Contract works as defined in Clause 21 hereof.

**18. Unfixed materials when taken into account to be the property of the Employer**

Where in any certificates (of which the Contractor has received payment) the Bank's Engineer has included the value of any unfixed materials included for and/or placed on or adjacent to the works such materials shall become the property of the Employer and they shall not be removed except for use upon the works, without the written authority of the Employer. The Contractor shall be liable for any loss of, or damage to, such materials.

**19. Removal of improper work** : The Employer shall, during the progress of the works, have power to order in writing from time to time the removal from the works within such reasonable time or times as may be specified in the order of any materials which in the opinion of the Bank's Engineer are not in accordance with the Specifications, the substitutions of proper materials, and the removal and proper re- execution of any work executed with materials or workmanship not in accordance with the drawings & specifications or instructions and the contractor shall forthwith carry out such order at his own cost. In case of default on the part of Contractor to carry out such order, the Employer shall have the power to employ any pay other persons to carry out the same; and all expenses consequent thereon, or incidental thereto, shall be borne by the Contractor, or may be deducted by the Employer from any moneys due, or that may become due, to the Contractor.

### **Technical Specifications**

Minimum Technical Specification of X-Ray Baggage inspection System

S. No.	Feature	Specifications	Compliance (Yes /No)
1	Tunnel Size	600 mm (Width) x 400 mm (Height)	
2	Conveyor belt speed	Between 0.18 and 0.3 meter per second. Conveyor movement bi-directional.	
3	Power Requirement	240 Volt $\pm 10\%$ , 50 Hz $\pm 3\%$ , Single Phase	
4	Conveyor Capacity	150 kg or more	
5	X-Ray Voltage	140 KV or more	
6	X-Ray Source/Generator	should be capable to operate smoothly for a period of at least 8 years	
7	Duty Cycle	100%	
8	Radiation level	The radiation level should not exceed accepted health standard (0.1m R/Hr at a distance of 5cm from the external housing). Relevant certificate shall be obtained from AERB.	
9	Operating temperature	0 deg C to 50 deg C.	
10	Storage temperature	0 deg C to 50 deg C.	
11	Resolution	The machine should be able to display single un-insulated tinned copper wire of 42 SWG or 38 AWG. All penetration and resolution condition should be met without pressing any functional key and should be online 42 SWG (38 AWG)	
12	Penetration	34 mm., guaranteed, thickness of steel or more.	
13	Video display	1280 X 1024, 24 bit / pixel colour real image processing, low radiation, ergonomic, flicker free, 24 inch or more 2 no's colour LED Monitor with remote workstation with lockable console for housing them.	

14	Multi-energy X-ray imaging facility	The machine should have features of Multi-energy X-ray imaging facility where materials of different atomic number will be displayed in different colours to distinguish between organic and inorganic materials. The machine should give audio and video alarm upon detection of high-density organic materials including explosives and narcotics, should have variable colour or materials stripping to facilitate the operator to monitor images for closer scrutiny. All suspicious items (Explosives, High density materials, narcotics, etc.) should be displayed in one mode and that should be online.	
15	Radiation Safety	The machine must comply with requirements. of health and safety regulations with regard to mechanical, electrical and radiation hazards. Before installation of the machine, the supplier/manufacturer should furnish relevant certificate from Atomic Energy Regulatory Board (AERB) of India regarding radiation Safety and certificate of health & safety at work. The company manufacturing the equipment should have ISO certification for manufacturing and servicing of X-ray Screening machines.	
16	Food and Film Safety	Guaranteed safety for food and high-speed up to ISO 1600 (33 DIN). The machines should be film safe. In other words, photographic films must not be damaged due to X Ray examination.	
17	Machine safety	Machine should be properly sealed from all the sides for pest proof. Dust proof cover is to be provided for covering the system when not in use.	
18	Software enhancement	The machine should be so designed that software enhancement can be easily implemented to take care of technique in image processing and pattern recognition.	
19	Operational Training	Operating staff has to be provided training	
20	Operating & service manual.	Operating & service manual shall be provided with each machine.	

21	Minimum Computer configuration	<p>Monitor: 2 Nos (24" or more size) colour LED Monitor.</p> <p>Operating System: Window 7/ Window 8 or latest with universal printer support</p> <p>Processor: Processor - Intel ® Core ™ i7 with latest generation</p> <p>System Memory: 8 GB RAM</p> <p>CPU : should be able to deliver the output to meet the specification mentioned as above.</p> <p>Display : 24 Bit/32 Bit True Color</p> <p>Hard Disk : 500 GB 7200 rpm Serial ATA HDD or better.</p> <p>Ports: at least 4 USB ports.</p> <p>Mouse: 2 no's optical mouse</p> <p>Keyboard: one or two as per manufacturer standard.</p> <p>Network: Networking facility 10/100/1000 on board integrated network port with remote booting facility, remote system installation, remote wake up, out of band management using any standard management software.</p>	
----	--------------------------------	---	--

Further, the following specifications shall be complied with the offered equipment:

22. Other features:

- a) Edge & variable edge enhancement.
- b) Inverse Image
- c) Set up time not more than 10 minutes
- d) Pseudo colour
- e) Date & Time display
- f) Automatic image archiving
- g) Bi-direction

23. Radiation Safety- The Scanner must comply with requirements of health and safety regulations with regard to mechanical, electrical and radiation hazards. The radiation level should not exceed accepted health standard (0.1mR/Hr at a distance of 5 cm from external housing). The supplier/manufacturers should furnish relevant certificates from atomic energy regulatory board of India regarding radiation safety. The Original Equipment Manufacturer (OEM) should have ISO certification for manufacturing and servicing of X-Ray screening machines.

24. Enhanced performance X-Ray - The feature assists operators in identifying substances having specific characteristics of explosive or narcotics, enabling rapid and consistent detection capability, gold or currency may also be identified using EPX

25. The system will have certification from CE/UL or others International Accredited Certificates.

26. Provision of CTP (Test Bag / Kit): minimum one no.

27. The system will have Threat Image Projection (TIP) Feature:

- a) TIP software should be compatible with other X-ray technologies such as automatic reject

unit. Dual X-ray screen technologies, automatic threat recognition system etc. All x-ray image functions must be available at the same time along with TIP.

b) TIP software facility shall be incorporated in the offered X-Ray machine to assist supervisors in testing the operator alertness and training X-ray screeners to improve their ability in identifying Specific threat object.

c) The threat image projection facility shall have details of user data-base such as department name, screener name, organization, user ID Number, level of access such as screener, administrator, maintenance & password.

d) Access to start up menu should be restricted only to the authorized individuals. A log in procedure by means of password or security key could achieve restricted access to each of the comment. The system should have facility to bypass the TIP facility, if programmed so by the system administrator. It is to be ensured that the TIP software shall not be hindrance to normal functioning of X-ray machines.

e) When the operator logs-in or logs-out, message should be displayed on XBIS VDU Screen to confirm that he / she has been correctly logged-in or logged out.

f) The system will create a threat object and the same will be superimposed on monitor screen while a bag is being screened.

g) To acknowledge that the operator has seen the false object, operator must press the control Panel key that will cause the computer generated threat object to disappear from x-rayed bag image on the VDU screen.

h) Each operator's action shall be recorded in the hard disc of the computer for the auditing purpose by the supervisor or other authorized person.

i) All models should have online recording facility and images can be recorded in CD, R/W or/and USB and should be able to view images so recorded on standard alone PC.

j) The TIP facility should have an image library containing at least 100 / as per manufacturer standard explosive devices, 100 / as per manufacturer standard knives and 100 / as per manufacturer standard fire arms in various sizes, shapes, locations & orientations. However, the system shall have facility to expand the library to incorporate additional images by user without assistance of the manufacturer.

k) The image library should contain images of threats at different orientations— both plane and end-on orientation should be used. Although these will be assigned different file names and references, it must be possible to cross-reference these as the same threat. All threat Image Projection images must be realistic, representative and non-distinguishable from real threat items.

l) Programming facility shall be available to project threat images in different intervals. The time period for threat image as well as image mix in % age shall be user programmable e.g. software shall select 40% images of explosive devices, 35% of fire arms & 25% of knives or Random, etc.

m) Once the screener has responded to identify the computer-generated threat image, it should remain on the screen for a pre-defined user programmable time for analyses. The image should be highlighted, upon identification, and feedback message shall be visible to the screener.

n) The Threat Image Projection should be capable of giving feedback "HIT, MISS or FALSE

ALARM” message. No message will be presented if a screener correctly passed a clear bag.

o) A “HIT” message to be presented when a screener has correctly identified a Threat Image Projection image. A “MISS” message shall be presented when screener fails to identify the Threat Image Projection Image. A “False Alarm” message shall be given when screener incorrectly indicate that Threat Image Projection image is present when in fact no Threat Image Projection is present. The feedback should clearly indicate in a screen that a TIP object has been correctly identified / a TIP object has been missed / or no TIP object was present. The information should be recorded in the data base.

p) Different colour coding shall be used for feedback to the Screener.

q) The system shall automatically prepare the daily log of events for each shift and for each Screener performance. TIP log shall include particulars of location, XBIS, Name of Screener, Time & date of threat image, whether threat image was successfully identified or missed, etc.

r) The report on Threat Image Projection system may have date and time (From-To) as per requirement, Screener particulars, and decision / outcome i.e. MISS, HIT or False alarm in %age as well in absolute numbers, number of bas screened, categories such as explosive devices knife or weapon, etc.

s) As a standard practice, daily / weekly / monthly report shall be retrieved. Report shall be for any given time and period, as per command.

t) All data should be stored on the system for a minimum of one month after it has been downloaded. No individual, regardless of access rights to the Threat Image Projection components would delete or amend any of Threat Image Projection data or time i.e. Threat Image Projection data on the actual X-ray machine will be read only file.

**Note:-**

The specifications indicated above are the minimum acceptable to the Bank. Tenderers are free to quote for equipment’s with higher and advanced specifications, if any of the technical specifications is out of the range of equipment’s manufactured by them.

28. TEST TO BE CARRIED OUT (During inspection at manufacturer workshop): -

**I. SINGLE WIRE RESOLUTION (TEST No.1)**

A set of uninsulated tinned copper wire of size 25 SWG, 30, 35, 38, 40 and 42 SWG are placed on Perspex sheet. The wires are laid out in “S’ shaped curves. The wires are placed behind varying thickness of aluminum. The requirement is to display 42 SWG wire is not covered by step wedge. A tick will indicate the visibility of appropriate wire. Metallic marker should be provided using high density material, so that SWG numbers in the VDU are clearly visible.

**II. USEFUL PENETRATION (TEST No.2)**

Definite what level of details can be seen behind a thickness of known material. The requirement of this test is that the 38 mm thickness of steel is seen under second step wedge (5/16"). (Note: This is equivalent to FAA, USA and DOT UK requirement). Tick on log sheet will indicate what wires are visible.

### **III. MULTI ENERGY X-RAY (TEST No.3)**

With multi-energy X-Ray it should be possible to distinguish between materials of different average atomic number. The use of sugar and salt samples encapsulated on the test piece and various materials used in the construction of CTP will check the material discrimination facility. A tick will indicate that the sugar/salt samples are shown in different colour.

### **IV. SIMPLE PENETRATION (TEST No.4)**

This test defines what thickness of steel the machine should be able to penetrate. The steel step wedge on the CTP has steps of 2 mm. from 16 mm. to 30 mm. with a lead strip to check that the machine is above or below the requirement. The requirement is that the lead is visible beneath 28 mm. steel. A tick in log sheet will indicate where a difference between the lead strip and the step wedge is visible.

### **V. SPATIAL RESOLUTION (TEST No.5)**

This test defines the ability of the system to distinguish and display objects which are close together. The CTP has 16 copper gratings at right angle to each other. The requirement is that a vertical and horizontal grating can be seen. A tick in the log sheet will indicate that gaps in the gratings are visible.

**WHEREAS**

The Reserve Bank of India, having its Central Office at Shahid Bhagat Singh Road, Mumbai (hereinafter called the 'RBI') has invited tenders for the captioned work (hereinafter called "the said tender") on the terms and conditions mentioned in the said tender documents.

It is one of the terms of invitation of tenders that the tenderer shall furnish a Bank Guarantee for a sum of Rs. -----(Rupees only) as Earnest Money Deposit (EMD).

M/s. (Name of the Tenderer/Bidder) \_\_\_\_\_, (hereinafter called as "the Tenderer/ Bidder"), who are our Clients/Constituents intend to submit their tender/ Bid for the said work and have requested us to furnish Bank Guarantee to RBI in respect of the said sum of Rs.----- (Rupees----- only) in respect of EMD.

**NOW THIS GUARANTEE WITNESSETH**

1. We (Name of the Bank) do hereby agree with and undertake to RBI, their Successors, Assigns that in the event of the RBI coming to the conclusion that the Contractor has not performed his obligations under the said conditions of the contract or have committed a breach thereof, which conclusion shall be binding on us as well as the said contractor; we shall on demand by the RBI, pay without demur to the RBI, a sum of Rs. (Rupees only) or any lower amount that may be demanded by the RBI. Our guarantee shall be treated as equivalent to the Performance Guarantee Amount for the due performance of the obligations of the Contractor under the said Contract, provided, however, that our liability against such sum shall not exceed the sum of Rs. (Rupees only).

2. We also agree to undertake to and confirm that the sum not exceeding Rs. (Rupees only) as aforesaid shall be paid by us without any demur or protest, merely on demand from the RBI on receipt of a notice in writing stating that the amount is due to them and we shall not ask for any further proof or evidence and the notice from the RBI shall be conclusive and binding on us and shall not be questioned by us in any respect or manner whatsoever. The Bank shall pay to RBI any money so demanded notwithstanding any dispute/disputes raised by the

Contractor in any suit or proceedings pending before any Court, Tribunal or Arbitrator/s relating thereto and the liability under this guarantee shall be absolute and unequivocal. We undertake to pay the amount claimed by the RBI within a period of one week from the date of receipt of the notice as aforesaid.

3. We confirm that our obligation to the RBI under this guarantee shall be independent of the agreement or agreements or other understandings between the RBI and the Contractor.

This guarantee shall not be revoked by us without prior consent in writing of the RBI.

We hereby further agree that –

a) Any forbearance or commission on the part of the RBI in enforcing the conditions of the said agreement or in compliance with any of the terms and conditions stipulated in the said Contract and/or hereunder or granting of any time or showing of any indulgence by the RBI to the Contractor or any other matters in connection therewith shall not discharge us in any way and our obligation under this guarantee. This guarantee shall be discharged only by the performance by the Contractor of their obligations and in the event of their failure to do so, by payment by us of the sum not exceeding Rs. (Rupees only).

b) Our liability under these presents shall not exceed the sum of Rs.----- (Rupees----- only)

c) Our liability under this agreement shall not be affected by any infirmity or irregularity on the part of our said constituents/clients or their obligations thereunder or by dissolution or change in the constitution of our said constituents.

d) This guarantee shall remain in force upto (six months from the last date of receipt of tender) provided that if so desired by the RBI, this guarantee shall be renewed for a further period as may be indicated by them on the same terms and conditions as contained herein.

e) Our liability under these presents will terminate unless these presents are renewed as provided hereinabove on the or on the day when our said constituents comply with their obligations, as to which a certificate in writing by the RBI alone is the conclusive proof whichever date is later. Unless a claim or suit or action is filed against us within ----- ---or any extended period, all the rights of the RBI against us under this guarantee shall be forfeited and we shall be released and discharged from all our obligations and liabilities hereunder.

Yours faithfully,

For and on behalf of -----Bank.
